### Nationalism and Social Policy: The Politics of Territorial ...

Despite the recent proliferation of literature on nationalism and on social policy, relatively little has been written to analyse the possible interaction between the two. Scholars interested in social citizenship have indirectly dealt with the interaction between national identity and social programmes such as the British NHS, but they have seldom examined this connection in reference to nationalism.

### Nationalism and Social Policy: The Politics of Territorial ...

Oxford University Press.

DOI:10.1093/acprof:oso/9780199546848.003.0004. Chapter 3 looks at Scotland in the United Kingdom to explore the relationship between nationalism and social policy. It explains how the relationship between British nation-building and social policy emerged during the post-war era and outlines the particular importance of this process in Scotland, which depended more upon social benefits than did the South of England.

### **United Kingdom: Nationalism, Devolution, and Social Policy ...**

The link between nationalism and social policy isn't just that nationalist movements tend to emphasize the importance of mutual welfare, though it makes sense that they should do so. It's that social policy itself depends on the construction of a political community – an identifiable group which defines the scope and limits of mutual responsibility and support.

### **Nationalism and Social Policy: The Politics of Territorial ...**

Nationalism is a term used to describe a fervent emotional identification with one's country and its people, customs, and values. In politics and public policy, nationalism is a doctrine whose mission is to protect a nation's right to self-govern and shield fellow residents of a state from global economic and social pressures.

### **Nationalism in Politics and Culture**

Nationalism continues to be an important ideology that informs the way state elites formulate and implement foreign policy. The relationship between nationalism and foreign policy is complex: there are many relevant levels of analysis and multiple causal pathways linking nationalism and foreign policy. Scholars have identified national masses, elite policymakers, and the nation-state itself as units of analysis.
