MLA Style Guide - academic referencing and citation

A style guide or manual of style is a set of standards for the writing, formatting and design of documents. It is often called a style sheet, although that term also has other meanings. The standards can be applied either for general use, or be required usage for an individual

publication, a particular organization, or a specific field. A style guide establishes standard style requirements to improve

communication by ensuring consistency both within a document, and across multiple documents. Bec
