What Is The Indus Valley Civilization | DK Find Out

As the evidence stands, the civilization was succeeded in the Indus valley by poverty-stricken cultures, deriving a little from a sub-Indus heritage but also drawing elements from the direction of Iran and the Caucasus—from the general direction, in fact, of the northern invasions. For many centuries urban civilization was dead in the northwest of the Indian subcontinent.

Indus civilization | History, Location, Map, Art, & Facts ...

The Indus Valley Civilization in Asia shows early evidence of public water supply and sanitation. The system the Indus developed and managed included a number of advanced features. A typical example is the city of Lothal (c. 2350 BCE) in Gujarat, India. In Lothal all houses had their own private toilet which was connected to a covered sewer network constructed of brickwork held together with a gypsum-based mortar that emptied either into the surrounding water bodies or alternatively into ...
