Redback One The True Story

His career has been one of adventure, fear and excitement rolled into one. He also talks about how his career not only affect his mental health but also how it affected his wife. A truly great read and insight into the life of an SASR soldier. A truly great guy and a real hero.

Redback One: The true story of an Australian SAS hero Paperback – January 1, 2014

Redback One: The true story of an Australian SAS hero ...

I really enjoyed this book as it was a down to earth and raw account of one mans journey in the Australian Army. It takes guts to share ones personal experiences with others, unlike books on sports people who are afraid of damaging their image. I would recommend this book to anyone looking for a good story with adventure and excitement.
