Importance of Physics in Nursing Course
Medicine owes a lot to the field of physics. There are some significant advances and important gains physics has made to the field. Some of the most basic concepts we take for granted are due to physics, such as blood pressure.

This book is just physics and chemistry.

There is no correlation to nurse anesthesia what so ever. Our teacher picked a horrible book and this book is pointless so far. The authors are not CRNA's and the material is for a chemistry and physics major, nothing relevant about nurse anesthesia so far.
