In 2012, the team
behind Renegade Inc.
released the seminal,
Four Horsemen, a
documentary film that

went in search of the underlying causes of the 2008 financial crash. The film's religious allegorical overtones depict a world of escalating violence, widespread poverty, environmental catastrophe and capitalism's impending death.

Four Horsemen - Chickens Home To Roost - Renegade Inc

The modern day "Four Horsemen" continue to ride roughshod over the people who can least afford it. Crises are converging when

governments, religion and mainstream economists have stalled. Twenty-three international thinkers come together and break their silence about how the world really works and why there is still hope in re-establishing a moral and just society.
