Personology *Running Press*

Astrology is finally getting personal! From the best-selling author of *The Secret Language of Birthdays* comes a revolution in charting your horoscope based on both the date and time of your birth that makes all other horoscope books irrelevant. With his "Personology" system, Gary Goldschneider has created a unique method which divides each of the twelve signs into five sub-types-such as Aquarius-Pisces Cusp, Pisces I, Pisces II, Pisces III, and Pisces-Aries Cusp- thereby sub-dividing the astrological year into 48 personology periods. The precision this allows is far beyond anything available in any other astrology

book and provides a ground-breaking new way for readers to look not only at their own lives, but their interactions with those around them. The book comes packed with easy-to-follow charts covering the sun, eight different planets, and, unique to this book, the rapid fluctuations of the moon for every year from 1900 through 2025. The result is an unprecedented level of precision, as well as a beautifully illustrated volume destined to become the one and only book horoscope readers will treasure for the next twenty years.

"A truly extraordinary saga . . . The characterizations are consistently superb, and [Hobb] animates everything with love for and knowledge of the sea."—Booklist As Bingtown slides toward disaster, clan matriarch Ronica Vestrit, branded a traitor, searches for a way to bring the city's inhabitants together against a momentous threat. Meanwhile, Althea Vestrit, unaware of what has befallen Bingtown and her family, continues her perilous quest to track down and recover her liveship, the Vivacia, from the ruthless pirate Kennit. Bold though it is, Althea's scheme may be in vain. For her beloved Vivacia will face the most terrible confrontation of all

as the secret of the liveships is revealed. It is a truth so shattering, it may destroy the Vivacia and all who love her, including Althea's nephew, whose life already hangs in the balance. Praise for Robin Hobb and the Liveship Traders Trilogy "Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin "A major work of high fantasy, reading like a cross between Tolkien and Patrick O'Brian . . . one of the finest fantasy sagas to bridge the millennium."—Publishers Weekly "Rich, complex . . . [Hobb's] plotting is complex but tightly controlled, and her descriptive powers match her excellent visual imagination. But her chief virtue is that she delineates character extremely well."—Interzone

The Book of Destiny

Unlocking the Secrets of the Ancient Mayans and the Prophecy of 2012

Harper Collins

Discover What the Prophecy of 2012

Means for Your Life According to the Mayan Elders, at the moment of birth every human being is given a destiny. Our life challenge is to develop ourselves and our skills in order to fulfill this destiny, thus fueling our individual contribution to the planet. At the heart of The Book of Destiny is the sacred Mayan calendar, an extraordinary tool that allows the reader to discover this destiny, along with one's special Mayan symbol, origin, as well as the protection spirits that accompany them through life. Poetically narrated, the book describes how the calendar contains the scientific legacy of the Mayan people, preserved and transmitted over the centuries through oral tradition and written texts. Written at the request of the Mayan Elders, by member of the

Guatemalan Elders Council and Mayan Priest Carlos Barrios, The Book of Destiny is a tool to help people understand their life purpose and to use this profound knowledge to make the best of their time on earth.

Transforming Fate Into Destiny *Hay House, Inc*

In this penetrating book, renowned intuitive, speaker, and teacher Robert Ohotto guides us on an investigation of the Heroic Journey of the Soul. Exploring three modern-day manifestations of Fate, he shows how psychic energy from family patterns, cultural influences, generational legacy, and global evolution inform our self-concept every day, and how they often block our highest potential and "Fate" us to

challenging circumstances and relationships. But, he reveals, these Fated encounters are actually the keys to our un-lived life. Each chapter maps our psyche and unravels the mysterious connections of Fate, Free Will, and Destiny, transforming our Fate into Destiny and our limitations into gifts. Through this seminal work based on years of experience, discover how we've made two fundamental agreements with the Universe as part of our Heroic Journey—one with Fate and the other with Destiny. As we learn to dance with these two forces, they become two voices challenging and beckoning us to discover our ultimate purpose—the primary task of the modern-day Hero and Heroine; and in the process, serve to unleash the power of our Soul in

delivering grace to the world.

Thinking And Destiny *Motilal Banarsidass Publ.*

In Thinking and Destiny, something new, although older than time, is now made known to the world--about Consciousness. The information is largely about the makeup of the human, where man comes from, what becomes

of him; it explains what thinking is; it tells how a thought is created, and how thoughts are exteriorized into acts, objects and events, and how they make his destiny. Destiny is thus shown to be self-determined by thinking; and the process of re-existence and the after-death states are told in detail. A single reading of any one chapter of Thinking and Destiny brings rich rewards in new understanding of life's puzzling mysteries. To read the entire book is to come nearer to knowledge of one's destiny and how to shape it than is possible through study of anything previously written in the English language. Both the casually curious glancer at books and the most avid seeker for knowledge will be intrigued by the index, which lists more than 400

subjects in Thinking and Destiny, and by the fifteen chapter headings in the Table of Contents, which identify the 156 sections. The Foreword contains the only pages in which Mr. Percival uses the first personal pronoun. Here he relates some of the amazing experiences through which he was able to grasp the knowledge he transmits, and to acquire the ability to do so.

Your Birthday Sign Through Time

25 Thoughts About Your Destiny *Createspace Independent Publishing Platform*

This work is a compilation of 25 thoughts that could direct your path towards peace, thoughtfulness and action. The thoughts in this space came to me as I witnessed truths of life unfolding for me through my own experiences. It is because of my desire to find tools for purpose in every event of my life that I find peace in both letting go and embracing that which is necessary. My hope is that: * You will find complete freedom and blessings in loss as it was

intended for your destiny. * You will learn to look at your mistakes as natural lessons in your life rather than failures. * You will understand how your burdens are really the fuel for your motivation towards perfection. * You will realize that the thorns in your flesh can literally be the very tools you need to complete your assignment. * You will see all is not lost and what you thought was tragic is just another stepping stone towards your true fulfillment. * At the end of your spiritual literary journey with me, you will realize that you can be used AS IS for the fulfillment of your destiny.

Shattered Glass *Createspace Independent Publishing Platform*

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for...
...Or so I thought. The night that Wolfe was dragged into my palace, I knew that

my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing.

My Secrets

Book Two in the Secret Series *Createspace Independent Publishing Platform*

Alise has uncovered a web of family secrets reading her mother's journals that connect to the lives of those closest to her. Now she has to contend with her new career as Director of Global Charity

at TG and the irresistible Tyler Moore, while harboring secrets of her own. Tyler Moore is new in town and wants to make his mark on the world as the new Director of Marketing at TG, but at the same time he wants Alise Addison with a passion he's never known. Tyler becomes engrossed in Alise's life as an old flame from her mother's past returns to exact revenge, while also harboring a secret that threatens a relationship between them. Together Alise and Tyler are about to discover that every family has their secrets and some family secrets should stay hidden. Excerpt: My Secrets: Book Two in The Secret Series "You've known about this for weeks! Alise, I trusted you and you lied to me! What else are you keeping from me?" He really didn't want me to answer that

question because it was a truckload of secrets. "As a matter of fact you know what don't answer that! You were right. Your just like your mother!"

Dark Destiny and the Secret of Planetoid 88

Armchair Fiction presents extra large science fiction double novels with original illustrations. "Dark Destiny" by Dwight V. Swain is the first novel. He was known throughout the system as Sha Haral, a fierce space warrior with a lust for power. He'd blasted his way back and forth across the spaceways many times. However, Haral's fortunes had taken a turn for the worse, and he soon became a downtrodden, bitter would-be conqueror haunting the dives on a backwater planet called Ulna. But his

fate took an unexpected turn when a beautiful blonde-haired priestess, fleeing from a space pirate's hordes, fell into his lap. From this priestess Haral learned of an ancient woman-goddess who, according to legend, lay sleeping in a lost city surrounded by a legion of terrifying monsters. This ancient goddess, whose face was half-hidden by a jeweled veil, was known as a woman of ultimate beauty, possessing secrets of great power. And she still lay there, in her crumbling city, waiting for someone to awaken her... The second novel, "The Secret of Planetoid 88," is by Ed Earl Repp. Dane Cabot was just one of many slaves of the dictators--"The Hundred" as they were known--who ruled Earth with an iron hand. After a joy ride to a distant planetoid, Cabot returned to Earth to

find himself falsely accused of murder. There was no trial--The Hundred didn't operate that way. He was soon sentenced to die. But when a mysterious stranger interceded, Cabot found himself a stowaway on a space cruiser headed for Io, moon of Jupiter. There Cabot found a tiny colony of rebels with a master plan for the eventual freedom of Earth's enslaved populace. But radiation from Jupiter's Great Red Spot was slowly destroying Io. So Cabot and his fellow rebels found themselves in a desperate race against time. Could they orchestrate their plans before the rising tide of planet-wide disintegration overtook them? Deep in the void of space was a secret, a secret that was the key to freedom--if they could find it in time...

The Secret Dead

London Bones: Book One *Createspace Independent Publishing Platform*

Vivia is a hag, one of the last of her race, and can die, visit the underworld and return at will. She has a job she loves--helping London's most vulnerable supernaturals, even if her colleague Malcolm drives her round the bend on a daily basis. Then Malcolm is outed as a zombie and, along with his teenage son Ben, flees the police. When Malcolm is captured, he is only able to pass on one message before his dead brain degrades completely: 'He killed me.' As Ben remains missing, the police find decades-old corpses hidden near Malcolm's house, and Vivia begins to realise there's a lot more at stake than

just a possible zompocalypse...

Explore Your Destiny

Since Your Life's Path Is (Mostly) Predetermined *CreateSpace*

Do you wonder if you have an important call with destiny? That you have been selected for something? A cause of a higher purpose? Well you have been chosen and the why, when, where and how is the subject of this book. Explore Your Destiny is divided into four sections. Each section supplies one more piece of the puzzle for you to place, so you can look at your life's arc with new insights. 1.Why - Why are we here and why must we live what we are living through right now? It's the age old expression, that we all say at one time

or another, "Why me?" Well there is a reason and it will be explained to you. 2.When - In what period along your souls timeline is all of this happening? Yes, there is a greater context of your soul, which you may not be aware of. Knowing your relative position in the path to perfection will guide you to understanding your current life. 3.How - How does all of this occur? How does the entire process affect your destiny and actions? What are the rules of the game? Knowing the structure and comprehending the basic laws that direct your life provides you with a point of view that will put everything into perspective. 4.Where - Where is this world that plans our destiny? Are there good places to be and are there bad? Where does the earth fit into the logical

structure? You will see where the regions that you are striving to attain are and where you may be living in your not-to-distant future.

The Secret History of Pythagoras

THE Translation of this venerable Piece of Antiquity is undertook upon a double Score; being designed as well to entertain the Curiosity of the Learned, as to supply the Defects of the Ignorant. If the original Language would have been more acceptable to the one, it would have been less intelligible to the other. I cannot, without uttering a Falsity, venture to affirm that so singular and valuable a Piece will be made Public, at least as yet: And in the mean Time I shall flatter myself, that this little Essay may contribute in some sort or other to

the diversion, if not Instruction, of People in every Condition of Life. If this is well received, the other Parts will make their Appearance at proper Distances of Time. I publish no more at present, because I would not be thought to impose too much upon any one's Patience; as for losing my own Labour, I am under no bad Apprehensions about that; for the Reader cannot reject with a greater Disdain, than I have translated with Pleasure, the Contents of this Book.

Too Many Sisters

Callie Armstrong's personal life was already in turmoil. Now circumstances are forcing her to share her successful music production company with three business partners. One partner wants her husband. One partner wants her

money. One partner wants her trust-even while keeping secrets. Is this how it is with all sisters? Callie has decisions to make and secrets to uncover and lies to unravel in the midst of the family chaos. The only thing she knows for sure is that when they're all together, it's just too many sisters. .

Little Blue Planet

World of Wonders *Createspace Independent Publishing Platform*

Lucky child - what a wondrous world you live in! This is the theme of Little Blue Planet - a book meant to be read aloud to very young children. As you and the child explore the pages of this book, you will encounter the natural wonders of our world: forests, jungles, volcanoes,

swamps, coral reefs and many more. Each of these wonders is captured in a two-page spread, with a scenic watercolor on the left and an imaginative view featuring a child on the right. This book is a first travelogue for the tiny set. It is primarily a picture book, but has just enough text to provide context and encourage the child to imagine what it would be like to visit this place. This book makes for a beautiful and quick read.

Symbology

Revision; Unlocking Secret Knowledge *Createspace Independent Publishing Platform*

Symbols contain knowledge which has been kept secret, passed on from generation to generation accompanying oral tradition of ancient cultures. These images contain records of knowledge,

history, traditions, religions, and customs of ancestors long ago forgotten who whisper to us from their graves, and draw us to the picture language with which they inscribed their legacy. Symbology is the process of decoding these inscriptions, placing them in proper historic context, finding their origins, and unveiling their secrets. Symbology ReVision: Unlocking Secret Knowledge is a revision of Symbology: Decoding Classic Images, and makes a great book even better, with bigger illustrations, glossary, bibliography, and updated material. Embark on a fascinating journey into a misty past, and clear away the fog.
