Montessori Today : A Comprehensive Approach to Education ...

Montessori: A Modern Approach has been called the single best book for anyone - educator, childcare professional, and especially parent - seeking answers to the questions: What is the Montessori method? Are its revolutionary ideas about early childhood education relevant to today's world? And most important,

especially for today's dual-career couples, Is a Montessori education right for my child?

Montessori Today by Paula Polk Lillard | Audiobook ...

The Montessori Method of Education, developed by Italian physician Maria Montessori, is a child-centered educational approach based on scientific observations of children. The method views the child as naturally eager for knowledge and capable of initiating learning in a supportive, thoughtfully

prepared learning environment.

Montessori education - Wikipedia

THE MONTESSORI METHOD Based on the observation of the child, supported by current research, and aligned with children's developmental needs, the Montessori method is a hands-on, multisensory, highly integrated and individualized approach to learning.
