illustrates the history of the Transformers as toys and as television and comic-book characters.

Transformers

The Movie Guide *Dk Pub*

A guide to the motion picture looks at the characters, their personalities, roles, and what they can change into.

Transformers

The Ultimate Guide

Explains and illustrates the history of the Transformers as toys and as television and comic-book characters.

The Ultimate Guide to Vintage Transformers Action Figures

In 1984, Hasbro quietly infiltrated the toy aisles with a series of robots based on Japanese robot toys. These transformable robots were divided into two camps: Autobots and Decepticons. The two sides provided children with classic good versus evil battles. Like the hugely successful G.I. Joe line, the Transformers were supported by a great television show and an excellent comic book produced by Marvel Comics. With die-cast metal parts, rubber tires, working action features and sometimes-firing missiles, these robots quickly changed to jets, cars and other weapons. With a great concept supported by a runaway TV show and comic book series, the groundwork was laid for one of the most successful toy franchises of all times. Today, Transformers are hotter

than ever. Fueled by four live-action Transformers movies - with a fifth to be released in 2017 - values for the toys are skyrocketing. On eBay there are more than 93,000 listings for Transformer auctions just in Action Figures alone.

Transformers

Identification and Price Guide *Penguin*

Transformers: Identification and Price Guide is the ultimate reference for all Generation One (G1) Transformers figures released from 1984 - 1990. Featuring more than 1,200 color photographs, this unparalleled guide presents every character in robot and alternate modes with accessories. Individual character biographies are

presented from the original Tech Specs and also include function, personal motto, and ability scores. Notes on character history - as presented in the Sunbow cartoon series and Marvel comic books - are complemented by expert commentary on character attributes and popularity on today's secondary market. Current values for all figures in varying condition grades assist collectors in determining the value of their collections. Collectors, toy dealers, casual fans, and everyone who staged basement battles between the heroic Autobots and the evil Deceptions need an accurate identification and price guide to decipher the more than 300 G1 Transformers toys produced from 1984 - 1993. This is the definitive reference for your favorite "Robots in Disguise!"
