Yanmar YM 1500 - YouTube

Almost any dealer in the US will have a service manual--it will not be exactly for the YM1500, but will be for the closest model that was sold in the US. For my YM 1510D it is the YM 186. The parts manual is available on CD so it would be easy to send to you, the service manual is big and would be expensive--or very slow to send to you.
