### **Books similar to The Cow-Tail Switch: And Other West ...**

In 1947 when "The Cow-Tail Switch and Other West African Stories" was first published, there were far fewer books of this kind than there are today. Two things that make Courlander's work stand out, even now, are: 1) his well written prose, and 2) the notes, which give the reader more information about the story, where it came from, and how to understand it in the context of the culture that produced it.
