Moonshine (Cal Leandros Book 2) eBook: Thurman, Rob ...

This is the second book in the Cal Leandros horror/urban-fantasy series. I liked it quite a bit more than the first book (which had a stretch of over a hundred pages that I didn't enjoy). I'm not a horror fan, but I am a fan of characters who care about each other and work together -- the opposite of narratives with a lone hero battling adversity.
