Visualize This The Flowing Data

A book by Nathan Yau who writes for FlowingData, Visualize This is a practical guide on visualization and how to approach real-world data. The book is published by Wiley and is available on Amazon and other major online booksellers.

Visualize This: The FlowingData Guide to Design ...

A common mistake in data design is to approach a project with a visual layout before looking at your data.

This leads to graphics that lack context and provide little value. Visualize This teaches you a data-first approach. Explore what your data has to say first, and you can design graphics that mean something.
