**Alabama in Africa Booker T.
Washington, the German Empire ...**

Alabama in Africa explores the politics of labor, sexuality, and race behind this endeavor, and the economic, political, and intellectual links connecting Germany, Africa, and the southern United States. The cross-fertilization of histories and practices led to the emergence of a global South, reproduced social inequities on both sides of the Atlantic, and pushed the American South and the German Empire to the forefront of modern colonialism.
