9780393932447 | Readings for Sociology | Knetbooks

This is a required reading for my Sociology class, so I'm glad I was able to get it very cheaply. If I were to nitpick on one thing, it's that the book is not quite in the "very good" condition that I would think that it should be - the right hand corners are bent out a little parts of the cover are chipped, a little bit of the bottom right hand pages seem a little stained, things like that.

Sociology. Studying the way people organize themselves into societies and institutions? We break down the science of social relationships from families to entire civilizations. Search all of SparkNotes Search. Suggestions Use up and down arrows to review and enter to select.

Sociology Study Guides - SparkNotes

It suffers from many misplaced readings that are often stretching to fit into the category they are assigned to. The first half of the book seems to be much stronger than the second half, I am not sure if this is by mere chance or is intentional. I absolutely would not recommend this book for sociology, there are far better books available.
