The newer material isn't as interesting as it could be, and the sense of humor can be overbearing at times -- there are far too many punchlines in far too many sentences.

Goosebumps cast a spell upon children by transforming even the most reluctant students into avid readers. Despite the fact that almost every book has a different collection of

He's also proud to have been an at-home dad, which is pretty awesome. Despite being written entirely in first person, It Came From Ohio! was not written by R.L. Stine. The original 1997 edition was written by R.L. Stine's close friend Joe Arthur (although somewhat confusingly marketed as written "in Stine's own words").
