Products & Solutions - General Cable®

A quality policy is a short document published by the executive management of an organization that establishes what quality means to the firm. It is published to all employees and is often made public so that it can be accessed by investors, customers, suppliers and regulators. It's a cornerstone document of several quality standards.

16 Examples of a Quality Policy - Simplicable

Cabling Standards have been developed over the years to ensure the consistency of the installation quality irrespective of the cabling manufacturer. Certain elements of the installation are cable vendor product specific, such as cable bend radii of the cable and component assembly detail.
