The Life of John Jacob Niles *University Press of Kentucky*

Louisville native John Jacob Niles (1892-1980) is considered to be one of our nation’s most influential

musicians. As a composer and balladeer, Niles drew inspiration from the deep well of traditional Appalachian and African American folk songs. At the age of sixteen Niles wrote one of his most enduring tunes, “Go ‘Way from My Window,” basing it on a song fragment from a black farm worker. This iconic song has been performed by folk artists ever since and may even have inspired the opening line of Bob Dylan’s “It Ain’t Me Babe.” In *I Wonder as I Wander: The Life of John Jacob Niles*, the first full-length biography of Niles, Ron Pen offers a rich portrait of the musician’s character and career. Using Niles’s own accounts from his journals, notebooks, and unpublished autobiography, Pen tracks his rise from farm boy to songwriter and folk collector extraordinaire. Niles was especially interested in documenting the voices of his fellow World War I soldiers, the people of Appalachia, and the spirituals of African Americans. In the 1920s he collaborated with noted photographer Doris Ulmann during trips to Appalachia, where he transcribed, adapted, and arranged traditional songs and ballads such as “Pretty Polly” and “Black Is the Color of My True Love’s Hair.” Niles’s preservation and presentation of American folk songs earned him the title of “Dean of American Balladeers,” and his theatrical use of the dulcimer is credited with contributing to the popularity of that instrument today. Niles’s dedication to the folk music tradition lives on in generations of folk revival artists such as Jean Ritchie, Joan Baez, and Oscar Brand. *I Wonder as I Wander* explores the origins and influences of the American folk music resurgence of the 1950s and 1960s, and finally tells the story of a man at the forefront of that movement.

Virgil Wander *Atlantic Monthly Press*

The first novel in ten years from award-winning, million-copy bestselling author Leif Enger, *Virgil Wander* is an enchanting and timeless all-American story that follows the inhabitants of a small Midwestern town in their quest to revive its flagging heart. Midwestern movie house owner Virgil Wander is “cruising along at medium altitude” when his car flies off the road into icy Lake Superior. Virgil survives but his language and memory are altered and he emerges into a world no longer familiar to him. Awakening in this new life, Virgil begins to piece together his personal history and the lore of his broken town, with the help of a cast of affable and curious locals—from Rune, a twinkling, pipe-smoking, kite-flying stranger investigating the mystery of his disappeared son; to Nadine, the reserved, enchanting wife of the vanished man, to Tom, a journalist and Virgil’s oldest friend; and various members of the Pea family who must confront tragedies of their own. Into this community returns a shimmering prodigal son who may hold the key to reviving their town. With intelligent humor and captivating whimsy, Leif Enger conjures a remarkable portrait of a region and its residents, who, for reasons of choice or circumstance, never made it out of their defunct industrial district. Carried aloft by quotidian pleasures including movies, fishing, necking in parked cars, playing baseball and falling in love, *Virgil Wander* is a swift, full journey into the heart and heartache of an often overlooked American Upper Midwest by a “formidably gifted” (Chicago Tribune) master storyteller.

Where Shall I Wander**New Poems** *Harper Collins*

You meant more than life to me. I lived through you not knowing, not knowing I was living. I learned that you called for me. I came to where you were living, up a stair. There was no one there. No one to appreciate me. The legality of it upset a chair. Many times to celebrate we were called together and where we had been there was nothing there, nothing that is anywhere. We passed obliquely, leaving no stare. When the sun was done muttering, in an optimistic way, it was time to leave that there. -- from "The New Higher"

Wander Woman

How High-Achieving Women Find Contentment and Direction *Berrett-Koehler Publishers*

Presents fresh research and powerful stories to give voice to a new generation of women driven by challenge and change Offers compelling advice on how to make wandering a life strategy, not just a series of unplanned events Includes probing questions and thought-provoking exercises to help readers find peace in life's chaos and confusion 2011 Axiom Award Gold Medal winner in the category of Women in Business There's a new generation of high-achieving women today—confident, ambitious, accomplished, driven. And yet, as master coach Marcia Reynolds discovered, many of them are also anxious, discontented, and frustrated. They're constantly questioning their purpose, juggling multiple roles, and reevaluating their goals. As a result they're restless—they move from job to job, from challenge to challenge, almost on impulse. They're wander women. Existing personal growth books, so focused on empowerment and encouragement, can't help these women. They don't need to find their voice—they know how to roar. They don't expect balance in their lives—but they long to find peace in the chaos. They aren't necessarily focused on gaining a seat in the boardroom—they want projects that mean something or businesses they run on their own. Reynolds helps wander women understand the roots of their restlessness and make their wandering a conscious strategy, not a reaction. Drawing on extensive research and interviews she illuminates the needs that drive their decisions and the core assumptions that lock them into rigid perfectionist patterns. She offers a wealth of exercises and practices that will enable wander women to reset their mental programming, discover new ways of finding direction, and thoughtfully choose and plan their futures, whether they climb the corporate ladder, find satisfaction below the glass ceiling, or set out on their own. For every woman plagued by frustration and self-

doubt—"Will what I've done ever feel good enough?"—*Wander Woman* sets the stage to uncover the answers to life's tough questions about meaning and purpose, significance and value, and the legacy you can leave from a life lived well.

Not All Who Wander Spiritually Are Lost

A Story of Church *Church Publishing*

* A delightfully-written story of faith and exploration * Helpful for those who are searching, and for those who are settled What if we stopped trying to find the perfect church in the right Christian tradition and intentionally explored our faith with all our Christian brothers and sisters? Can Christians embrace God fully by exploring other faith traditions? In *Not All Who Wander*, we discover that we do indeed find Jesus in a church, and traces of him in our everyday lives as well. *Not All Who Wander* walks readers through the author's faith journey, and how her experience with churches in a number of traditions has left her longing for more of Jesus than any one church offers. It also presents stories from other believers to give readers a sense of how alike, and different, our spiritual experiences can be. Rhoades has developed a passion for discovering all the ways we worship Jesus and invites readers to join her. With utter delight, she's discovered no matter which traditions she worships with, Jesus meets her there.
