The Midnight Mayor Matthew Swift

The Midnight Mayor opens a lot like A Madness of Angels: sorcerer Matthew Swift wakes up next to a telephone, injured and with no idea what happened, and subsequently has to run for his life. In between various life threatening events, Matthew (and the electric blue angels who share his body) find out that London's protections have been broken. The London Stone has been destroyed, the Tower's ravens killed, and the London Wall defaced. Oh, and the semi-mythical protector of the city ...

I knew when I chose the Midnight Mayor that it was the second in the series, but a number of reviews of Kate Griffin's first Matthew Swift novel, made me think it would put me off them altogether. I found some of Matthew Swift's internal dialogue tedious, but that is probably the trouble with having two beings inhabiting one body.

I so love Mathew Swift. He is snarky, creepy, cool, and wonderful all at the same time. The only sad part about this book, is that I've read the first book, so the universe is not new this time. This time around, Mathew becomes the Midnight Mayor (wasn't his choice...) and must do battle with a city destroying

entity.

Matthew Swift is a sorcerer of the streets, killed and resurrected in his debut novel A Madness of Angels, he is now more than what he once was. At the outset of the second novel featuring Swift - The Midnight Mayor - Swift is the number one suspect in the murder of the titular character. The Midnight Mayor, you see, is something Swift didn't believe existed.
