Serious Moonlight *Simon and Schuster*

“An atmospheric, multilayered, sex-positive romance.” —Kirkus Reviews (starred review) After an awkward first encounter, Birdie and Daniel are forced to work together in a Seattle hotel where a famous author leads a mysterious and secluded life in this romantic contemporary novel from the author of *Alex, Approximately*. Mystery-book aficionado Birdie Lindberg has an overactive imagination. Raised in isolation and homeschooled by strict grandparents, she’s cultivated a whimsical fantasy life in which she plays the heroic detective and every stranger is a suspect. But her solitary world expands when she takes a job the summer before college, working the graveyard shift at a historic Seattle hotel. In her new job, Birdie hopes to blossom from introverted dreamer to brave pioneer, and gregarious Daniel Aoki volunteers to be her guide. The hotel’s charismatic young van driver shares the same nocturnal shift and patronizes the waterfront Moonlight Diner where Birdie waits for the early

morning ferry after work. Daniel also shares her appetite for intrigue, and he’s stumbled upon a real-life mystery: a famous reclusive writer—never before seen in public—might be secretly meeting someone at the hotel. To uncover the writer’s puzzling identity, Birdie must come out of her shell...discovering that the most confounding mystery of all may be her growing feelings for the elusive riddle that is Daniel.

Journey by Moonlight *New York Review of Books*

An NYRB Classics Original The trouble begins in Venice, the first stop on Erzsi and Mihály’s honeymoon tour of Italy. Here Erzsi discovers that her new husband prefers wandering back alleys on his own to her company. The trouble picks up in Ravenna, where a hostile man zooms up on a motorcycle as the couple are sitting at an outdoor café. It’s János, someone Mihály hasn’t seen for years, and he wants Mihály to come with him in search of Ervin, their childhood friend. The trouble comes to a head when Mihály misses the train he and Erzsi are due to take to Rome. Off he goes across Italy, wandering from city to city, haunted and accosted by a strange array of figures from the troubled youth that he thought he had left behind: There are the charismatic siblings, Éva and Tamás, whose bizarre amateur theatricals linked sex and death forever in his mind; Ervin, a Jew turned Catholic monk who was his rival for Éva’s love; and again, that ruffian on the motorcycle. Antal Szerb’s dreamlike adventure, like Bulgakov’s *The Master and Margarita*, is an intoxicating, utterly individual mix of magic, madness, eros, and menace. In the words of the critic Nicholas Lezard, “No one who has read it has failed to love it.”

Seduced By Moonlight *Ballantine Books*

I am Meredith Gentry, P.I. and Princess Merry, heir to the throne of Fairie. Now there are those among me who whisper I am more. They fear me even as they protect me. And who can blame them? I've awakened the dazzling magic that's slumbered in them for thousands of years. But the thing is, I can't figure out why. My aunt, the Queen of Air and Darkness, is no longer distracted by her usual sadistic hobbies. Her obsession has turned unwaveringly to me. The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected. Even though I spend each night with the Queen's Ravens, my immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the power surges like never before. It all began with the chalice. I dreamed of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they're consumed with it, their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those who loathe me for it. Me, a mongrel, only half fey and part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurell K. Hamilton brings the dark, erotic reign of the immortal fey to a startling new depth. Full of sensuality and the consuming

anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceptions.

Cloud Cuckoo Land (Large Print Edition)

Large Print *Simon and Schuster*

From the Pulitzer Prize-winning author of *All the Light We Cannot See*, perhaps the most bestselling and beloved literary fiction of our time, comes a triumph of imagination and compassion, a soaring novel about children on the cusp of adulthood in a broken world, who find resilience, hope, and story. The heroes of *Cloud Cuckoo Land* are trying to figure out the world around them: Anna and Omeir, on opposite sides of the formidable city walls during the 1453 siege of Constantinople; teenage idealist Seymour in an attack on a public library in present day Idaho; and Konstance, on an interstellar ship bound for an exoplanet, decades from now.

Like Marie-Laure and Werner in *All the Light We Cannot See*, Anna, Omeir, Seymour, and Konstance are dreamers and outsiders who find resourcefulness and hope in the midst of peril. An ancient text—the story of Aethon, who longs to be turned into a bird so that he can fly to a utopian paradise in the sky—provides solace and mystery to these unforgettable characters. Doerr has created a tapestry of times and places that reflects our vast interconnectedness—with other species, with each other, with those who lived before us and those who will be here after we're gone. Dedicated to "the librarians then, now, and in the years to come," *Cloud Cuckoo Land* is a hauntingly beautiful and redemptive novel about stewardship—of the book, of the Earth, of the human heart.

Shoot the Moonlight Out**A Novel** *Simon and Schuster*

A haunting crime story about the broken characters inhabiting yesterday's Brooklyn, this is the new novel from modern master of neo-noir William Boyle. An explosive crime drama, *Shoot the Moonlight Out* evokes a mystical Brooklyn where the sidewalks

are cracked, where Virgin Mary statues tilt in fenced front yards, and where smudges of moonlight reflect in puddles even on the blackest nights. Southern Brooklyn, July 1996. Fire hydrants are open and spraying water on the sizzling blacktop. Punk kids have to make their own fun. Bobby Santovasco and his pal Zeke like to throw rocks at cars getting off the Belt Parkway. They think it's dumb and harmless until it's too late to think otherwise. Then there's Jack Cornacchia, a widower who lives with his high school age daughter Amelia and reads meters for Con Ed but also has a secret life as a vigilante, righting neighborhood wrongs through acts of violence. A simple mission to strong-arm a Bay Ridge con man, Max Berry, leads him to cross paths with a tragedy that hits close to home. Fast forward five years: June 2001. The summer before New York City and the world changed for good. Charlie French is a low-level gangster-wannabe trying to make a name for himself. When he stumbles onto a bowling alley locker stuffed with a bag full of cash, he brings it to his only pal, Max Berry, for safekeeping while he cleans up the mess surrounding it. Bobby Santovasco, with no real future mapped out—and the big sin of his past shining brightly in his rearview mirror—has taken a job working as an errand boy for Max Berry. On a recruiting run for Max's Ponzi scheme, Bobby meets Francesca Clarke, born in the neighborhood but an outsider nonetheless. They hit it off. Bobby gets the idea to knock off Max's safe so he and Francesca can escape Brooklyn forever. Little does he know what Charlie French has stashed there. Meanwhile, Bobby's former stepsister, Lily Murphy, is back home in the neighborhood after college, teaching a writing class in the basement of St. Mary's church. She's also being stalked by her college boyfriend. One of her students is

Jack Cornacchia. When she opens up to him about her stalker, Jack decides to take matters into his own hands. A riveting portrait of lives crashing together at the turn of the century, *Shoot the Moonlight Out* is tragic and tender and funny and strange. A sense of loss is palpable—what has been lost and what will be lost—and Boyle's characters face down old ghosts with grim determination, as ripples of consequence radiate in dangerous directions.

Days by Moonlight *Coach House Books*

Gulliver's Travels meets *The Underground Railroad*: a road trip through the countryside – and the psyche – by the author of *Fifteen Dogs*. Longlisted for the 2019 Scotiabank Giller Prize. Botanist Alfred Homer, ever hopeful and constantly surprised, is invited on a road trip by his parents' friend, Professor Morgan Bruno, who wants company as he tries to unearth the story of the mysterious poet John Skennen. But this is no ordinary road trip. Alfred and the Professor encounter towns where Black residents speak only in sign language and towns that hold Indigenous Parades; it is a land of house burnings, werewolves, and witches. Complete with Alfred's drawings of plants both real and implausible, *Days by Moonlight* is a Dantesque journey taken during the "hour of the wolf," that time of day when the sun is setting and the traveller can't tell the difference between dog and wolf. And it asks that perpetual question: how do we know the things we know are real, and what is real anyway? "A mash-up that is part fabulism, part faux biography, and part satire, *Days by Moonlight* conveys the experience of grief, managing to transform its inarticulable and symbolic weight into a finely

wrought literary work.” —Quill and Quire

Murder by Moonlight *Down & Out Books*

Would you try to save your son from a death sentence if he tried to murder you in your own bed? In *Murder by Moonlight*, Vincent Zandri’s cunning detective Dick Moonlight returns with his toughest case yet: proving an open-and-shut murder

investigation isn’t over at all. Joan Parker is the last woman private eye Dick Moonlight would ever expect to see in his Albany office. From the right side of the tracks—neighboring Bethlehem—she bears her upper class upbringing as effortlessly as a string of pearls. She also bears a scar running down her head and face—a brutal reminder of the ax attack that took the life of her husband. Her twenty-one-year-old son, Christopher, now sits in jail charged with the crime. According to the official report—based on Joan’s answers to police when they arrived at the house and found her barely alive—she identified Christopher as the culprit. But sitting in Moonlight’s office, she reveals that she has no recollection of the event, yet is certain of one thing: Christopher didn’t do it. Moonlight knows a thing or two about being nearly dead. And he also knows the tragedy of the police jumping to the wrong conclusions—a past case of a falsely accused client still haunts him—so he agrees to take the job and get to the truth of what happened that day. At first the trail of clues—from the crime scene to Joan’s original accusation—keeps the finger pointed at Christopher. But soon Moonlight turns up something he never expected, something more sinister than anything he’s ever come up against. Vincent Zandri’s latest Dick Moonlight PI thriller, *Murder by Moonlight* is a fast-paced, whip-smart tale of a guy who can’t always remember getting into trouble—and can’t seem to stay out of it. For fans of Robert B. Parker, Michael Connelly, Ace Atkins, Brett Battles, Don Winslow, and more comes an unputdownable mystery based on a true story that’s sure to keep you up all night...in a good way.
