Opinion polls | Politics | The Guardian

In the run up to the next United Kingdom general election, various organisations are expected to carry out opinion polling to gauge voting intention. Results of such polls are displayed in this article. Most of the polling companies listed are members of the British Polling Council (BPC) and abide by its disclosure rules.. The date range for these opinion polls is from the previous general ...

Opinion polling for the next United Kingdom general ...

The mission of political polling is to gauge the political opinion of the entire nation by asking only a small sample of likely voters. For this to work, pollsters have to ensure that the sample group accurately represents the larger population.If 50 percent of voters are female, then 50 percent of the sample group needs to be female.

How Political Polling Works | HowStuffWorks

In the wake of these significant changes, Political Polling in the Digital Age, edited by Kirby Goidel, offers timely and insightful interpretations of the impact these trends will have on polling. In this groundbreaking collection, contributors place recent developments in public-opinion polling into a broader historical context, examine how to construct accurate meanings from public-opinion ...
