A Book of Dreams - The Book That Inspired Kate Bush's Hit Song 'Cloudbusting' *Kings Road Publishing*

"'Cloudbusting'...was inspired by a book that I first found on a shelf... It was just calling me from the shelf, and when I read it I was very moved by the magic of it. It's about a special relationship between a young son and his father. The book was written from a child's point of view. His father is everything to him; he is the magic in his life, and he teaches him everything, teaching him to be open-minded and not to build up barriers' - Kate Bush This famous book, the inspiration behind Kate Bush's 1985 hit song 'Cloudbusting', is the extraordinary account of life as friend, confidant and child of the brilliant but persecuted Austrian psychoanalyst Wilhelm Reich. Peter, his son, shared with his father the revolutionary concept of a world where dream and reality are virtually indistinguishable, and the sense of mission which set him and his followers apart from the rest of the human race.Here, Peter Reich writes vividly and movingly of the mysterious experiences he shared with his father: of flying saucers; the 'cloudbuster' rain-makers and the FDA narks; and of the final tragic realization of his father's death, which woke him up to the necessity of living out his life in an alien world.Already regarded as a modern classic, A Book of Dreams is not only a beautifully written narrative of a remarkable friendship and collaboration, but a loving son's heartfelt tribute to a loving father.WITH A NEW PREFACE BY THE AUTHOR

As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? 'Excuse, me, but I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer." ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama “guides us straight to the intersection of the most serious questions of identity, class, and race” (The Washington Post Book World). “Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for Dreams from My Father “Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s The Color of Water and Gregory Howard Williams’s Life on the Color Line as a tale of living astride America’s racial categories.”—Scott Turow “Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review “Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of There Are No Children Here “One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of In My Place “Dreams from My Father is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

Among the Shaido, Faile works to free herself while hiding a secret that might give her her freedom or cause her destruction. And at a town called Malden, the Two Rivers longbow will be matched against Shaido spears. Fleeing Ebou Dar through Seanchan-controlled Altara with the kidnapped Daughter of the Nine Moons, Mat attempts to court the woman to whom he is half-married, knowing that she will complete that ceremony eventually. But Tuon coolly leads him on a merry chase as he learns that even a gift can have deep significance among the Seanchan Blood and what he thinks he knows of women is not enough to save him. In Caemlyn, Elayne fights to gain the Lion Throne while trying to avert what seems a certain civil war should she win the crown... In the White Tower, Egwene struggles to undermine the sisters loyal to Elaida from within... Her Dream of Dreams

The Rise and Triumph of Madam C. J. Walker *Vintage*

"I am a woman that came from the cotton fields of the South; I was promoted from there to the wash-tub; then I was promoted to the cook kitchen, and from there I promoted myself into the business of manufacturing hair goods and preparations." --Madam C. J. Walker, National Negro Business League Convention, 1912 Now, from a writer acclaimed for her novels and the memoir Crossed Over, a remarkable biography of a truly heroic figure. Madam C. J. Walker created a cosmetics empire and became known as the first female self-made millionaire in this nation's history, a noted philanthropist and champion of women's rights and economic freedom. These achievements seem nothing less than miraculous given that she was born, in 1867, to former slaves in a hamlet on the Mississippi River. How she came to live on another river, the Hudson, in a Westchester County mansion, and in a New York City town house, is at once inspirational and mysterious, because for all that is known about the famous entrepreneur, much that occurred before her magnificent transformation—years that trace a circuitous route across the country—remains obscure. By breathing life into scattered clues and dry facts, and with a deep understanding of the times and places through which Madam Walker moved, Beverly Lowry tells a story that stretches from the antebellum South to the Harlem Renaissance and bridges nearly a century of our history in her search for the distant truths of a woman who defied all odds and redefined conventional expectations. "Wherever there was one colored person, whether it was a city, a town, or a puddle by the railroad tracks, everybody knew her name." --Violet Davis Reynolds, Stenographer, Madam C. J. Walker Co

Republic of Dreams

Greenwich Village: The American Bohemia, 1910-1960 *Simon and Schuster*

If the twentieth century was the American century, it can be argued that it was more specifically the New York century, and Greenwich Village was the incubator of every important writer, artist, and political movement of the period. From the century's first decade through the era of beatniks and modern art in the 1950s and '60s, Greenwich Village was the destination for rebellious men and women who flocked there from all over the country to fulfill their artistic, political, and personal dreams. It has been called the most significant square mile in American cultural history, for it holds the story of the rise and fall of American socialism, women's suffrage, and the commercialization of the avant-garde. One Villager went so far as to say that "everything started in the Village except Prohibition," and in the 1940s, the young actress Lucille Ball said, "The Village is the greatest place in the world." What other community could claim a spectrum ranging from Henry James to Marlon Brando, from Marcel Duchamp to Bob Dylan, from Gertrude Vanderbilt Whitney to Abbie Hoffman? The story of the Village is, in large part, the stories old Villagers have told new Villagers about former Villagers, and to tell its story is in large part to tell its legends. Republic of Dreams presents the remarkable, outrageous, often interrelated biographies of the giants of American journalism, poetry, drama, radical politics, and art who flocked to the Village for nearly half a century, among them Eugene O'Neill, whose plays were first produced by the Provincetown Players on Macdougall Street, for whom Edna St. Vincent Millay also wrote; Jackson Pollock, who moved to the Village from Wyoming in 1930 and was soon part of the group of 8th Street painters who would revolutionize Western painting; E. E. Cummings, who lived for years on Patchin Place, as did Djuna Barnes; Max Eastman, who edited the groundbreaking literary and political journal The Masses, which introduced Freud to the American public and also published Sherwood Anderson, Amy Lowell, Upton Sinclair, Maksim Gorky, and John Reed's reporting on the Russian Revolution. Republic of Dreams is beautifully researched, outspoken, wise, hip, exuberant, a monumental, definitive history that will endure for decades to come.
