The Management Myth: Debunking Modern Business Philosophy ...

After having read the book, I ask myself which modern business philosophy has been debunked in the book. It is more or less an overall attack on (some) management theories and it is a very poor one. There is a lot of smattering, half knowledge and one-sided presentation about the facts.

The Management Myth: Why the Experts Keep Getting it Wrong ...

Matthew Stewart's The Management Myth – Debunking Modern Business Philosophy “debunks” much of the advice and strategies given by external management consultants. The book takes you through the early start of of the management business 100 years ago to the current multi-billion industry it is today.
