The One Safe Place Tania

The One Safe Place by Tania Unsworth 4.5 stars. Devin has always lived on a farm and when his grandfather dies he knows it's his time to go into the city. What Devin finds in the city is a world of poverty. The rich are the ones living in houses, drinking water, and eating. The homeless are children and people who can't afford to live nicely.

The One Safe Place (2014), a young adult science fiction novel by British author Tania Unsworth, takes place in an alternate future in which the earth has been ravaged by global warming and become so hot as to be almost unlivable. The dystopian setting is similar to many popular young adult novels, but Unsworth chooses to tell a smaller and more character-driven story that sets The One Safe Place apart from similar works.
