I understand that this new remastered

edition of Battle Royale – which features an absolutely outstanding cover (see the pic above) – is a new translation and that it's been well-received in comparison to the previous English language translation. Certainly the book reads very well and the text flows nicely for the most part.

First off, if you go shopping for Battle Royale based on my review, you need to look for Battle Royale: Remastered. I stayed away from this book for years because of reviews from friends that said the translation was broken. All too often, translations are rushed due to the piece's success in the original language or an upcoming film adaptation.
