Concept of the corporation This edition published in 1964 by New American Library in New York.

Concept of the corporation (1964 edition) | Open Library

The Romans recognized this with the notion of a corporation. The word corporation derives from the Latin word corpus for body, representing a body of people authorized to act as an individual. Cities were the first entities the Romans treated as corporations. Over time, the concept was extended to certain community organizations called collegia. These included artisan associations, religious societies and social clubs formed to provide funerals for members.
