### The Demon Princes Jack Vance

Demon Princes is a series of five science fiction novels by Jack Vance, which cumulatively relate the story of one Kirth Gersen as he exacts his revenge on five notorious criminals, collectively known as the Demon Princes, who carried the people of his village off into slavery during his childhood. Each novel deals with his pursuit of one of the five Princes.

### Demon Princes - Wikipedia

Jack Vance, one of the greatest writers of SF, created one of his masterpieces with the "Demon Princes" cycle. The Star King by Jack Vance The Star King is the opening novel of a five book series known as the Demon Princes—which tell the story of Kirth Gersen as he attempts to take revenge upon the five criminals who slaughtered his family when he was a child. Admittedly, the plot of the series sounds a little clichéd and even the title of the series itself probably gives the wrong impression of what lies beneath the covers.
