Three Shadows : Cyril Pedrosa : 9781596432390

Pedrosa's book balances between whimsical, fantasy elements and the darkness of real-world tragedies, delivering something closer to a meditation on impending loss than a critique of how one might deal with such an inherently counter-rational experience. Despite its subject matter, Three Shadows never threatens to be more than one can take. If anything, its lessons are delivered gently and with deep

empathy.
