In the first weeks, you may notice some common early signs of pregnancy like morning sickness, tiredness, sore breasts and cramping. Although you probably don't look any different yet, your body is busy preparing for the months ahead. As soon as you know you're pregnant, it's a good idea to book your first antenatal appointment. You can arrange it directly with your local maternity unit, or speak to your GP.

The first 12 weeks.... written by Lauren. The worst part of the first trimester is that you're not supposed to tell anyone. So you suffer in silence and everyone just assumes you've morphed into a chubby, moody, greasy, acne-ridden bitch squad for no good reason. All you have is the bloke who knocked you up in the first place and that's a recipe for marital bliss right there.

The first 12 weeks... - The Thud

The first trimester begins on the first day of your last period and lasts until the end of week 12. This means that by the time you know for sure you're pregnant, you might already be five or six weeks pregnant! A lot happens during these first three months.
