Fall from Grace

A Novel Simon and Schuster

The mysterious, violent death of a prominent New England patriarch exposes a nest of dark family secrets in New York Times bestselling author Richard North Patterson's twentieth compelling novel. From #1 bestselling author Richard North Patterson comes a spellbinding psychological puzzle filled with unexpected legal twists, potentially criminal turns, and one family's shocking fall from grace. After ten years away from home, Adam Blaine returns to Martha's Vineyard to attend the funeral of his estranged father, Ben, a famous and charismatic writer who was fond of sailboats, good wine—and women other than his wife. When Adam learns that Ben disinherited his family in favor of his mistress, he begins to wonder if his father's death—caused by an inexplicable fall from a cliff—might have been suicide or murder. Using his training as a CIA operative, Adam unearths some shattering revelations about the mistress's past. But even more disturbing are the family secrets that can't stay buried any longer—secrets that make Adam question everything he thought he knew about every player in this fateful game. Even himself...

Exile

A Thriller *St. Martin's Griffin*

David Wolfe is a successful American lawyer being primed for a run for Congress. But when the phone rings and he hears the voice of Hana Arif—the Palestinian woman with whom he had a secret affair in law school—he begins a completely unexpected journey. The next day, the prime minister of Israel is assassinated by a suicide bomber while visiting San Francisco. Soon, Hana is accused of being the mastermind behind the murder. Now David faces an agonizing choice: Will he, a Jew, represent her? The most challenging case of David's career requires that he delve deep into the lives of Hana and her militant Palestinian husband, all the way back to Israel and the West Bank. There he uncovers the couple's dangerous connections...culminating in an explosive trial where the stakes are Hana's life—and the future of two peoples.

Degree of Guilt *St. Martin's Paperbacks*

TV journalist Mary Carelli admits that she shot and killed Mark Ransom, one of the world's most famous authors. She claims it was self-defense. She swears he tried to rape her. Now she has to prove it in a court of law—with her former lover acting as her attorney... Christopher Paget is one of the top lawyers in the country. But defending the mother of his son in the trial of the decade, he begins to have doubts. Is Mary telling the truth? Did she invent her story about the rape? What is she hiding? With each shocking revelation, Paget is forced to question his defense, his ethics, and the whole legal system. Because no one, not even the judge, is completely innocent. And guilt is a matter of degree...

The Race *Henry Holt and Company*

Can an honest man become president? In this timely and provocative novel, a maverick candidate takes on his political enemies and the ruthless machinery of American politics Corey Grace—a handsome and charismatic Republican senator from Ohio—is plunged by an act of terrorism into a fierce presidential primary battle with the favorite of the party establishment and a magnetic leader of the Christian right. A decorated Gulf War Air Force pilot known for speaking his mind, Grace's reputation for voting his own conscience rather than the party line—together with his growing romance with Lexie Hart, an African-American movie star—has earned him a reputation as a maverick and an iconoclast. But Grace is still haunted by a tragic mistake buried deep in his past, and now his integrity will be put to the test in this most brutal of political contests, in which nothing in his past or present life is off-limits. Depicting contemporary power politics at its most ruthless, The Race takes on the most incendiary issues in American culture: racism, terrorism, religious fundamentalism, gay rights, and the rise of media monopolies with their own agenda and lust for power. As the pressure of the campaign intensifies, Grace encounters betrayal, excruciating moral choices, and secrets that can destroy lives. Ultimately, the race leads to a deadlocked party convention where Grace must resolve the conflict between his romance with Lexie and his presidential ambitions—and decide just who and what he is willing to sacrifice.

Exile *Large Print Press*

A successful attorney about to be married and preparing for a run for Congress, David Wolfe's life is thrown into turmoil when he is reunited with Hana Arif, a Palestinian woman with whom he had a secret love affair in law school.

Caroline Masters *Ballantine Books*

Long estranged from her blue-blooded New England family, attorney Caroline Masters is summoned home to defend her niece against charges of murder. Police found twenty-two-year-old Brett Allen blood-splattered and incoherent near the scene of the crime, the weapon covered with her fingerprints. Caroline has doubts of her own about Brett's innocence. But as the sensational trial heats up, she'll find disturbing inconsistencies in the testimony of the prosecution's star witness and find herself facing some of the challenges of her life and career--from trusting her former lover, state prosecutor Jackson Watts, to risking the federal judgeship she's worked her whole life for, to exposing a dark family secret that could save her niece or destroy them both.

The Spire

A Novel *Henry Holt and Company*

Both a razor-sharp thriller and a poignant love story, this twisting tale of psychological suspense is Patterson's most compelling novel in years Mark Darrow grew up in a small Ohio town with no real advantages beyond his intelligence and athletic ability. But thanks to the intervention of Lionel Farr—a professor at Caldwell, the local college—Darrow became an excellent student and, later, a superb trial lawyer. Now Farr asks his still-youthful protégé for a life-altering favor. An embezzlement scandal has threatened Caldwell's very existence—would Darrow consider becoming its new president? Darrow accepts, but returning to his alma mater opens old wounds. Sixteen years ago, on the night of his greatest triumph as Caldwell's star quarterback, he discovered the body of a black female student named Angela Hall at the base of the Spire, the bell tower that dominates the leafy campus. His best friend, Steve Tillman, was charged with Angela's murder and ultimately sent to prison for life. But now, even as Darrow begins the daunting task of leading Caldwell, he discovers that the case against his friend left crucial questions unanswered. Despite his new obligations—and his deepening attachment to Farr's beautiful though troubled daughter—Darrow begins his own inquiry into the murder. Soon he becomes convinced that Angela's killer is still at large, but only when another mysterious death occurs does he understand that his own life is at risk.

Lethal Warriors

When the New Band of Brothers Came Home *St. Martin's Press*

When the 506th Infantry Regiment—known since World War II as the Band of Brothers—returned to Colorado Springs after their first tour in Iraq, a series of brutal crimes swept through the city. The Band of Brothers had been deployed to the most violent places in Iraq, and some of the soldiers were suffering from what they had seen and done in combat. Without much time to recover, they were sent back to the front lines. After their second tour of duty, the battalion was renamed the Lethal Warriors, and, true to their name, the soldiers once again brought the violence home. Lethal Warriors brings to life the chilling true stories of these veterans—from their enlistment and multiple tours of duty to their struggles with ptsd and their failure to reintegrate in society. With piercing insight and employing his relentless investigative skills, journalist David Philipps shines a light not only to this particular unit, but also to the painful reality of ptsd as it rages throughout the country. By exploring the evolving the science and the stigma of war trauma throughout history—from "shell shock" to "battle fatigue" to "combat stress injuries"—Philipps shows that this problem has always existed and that, as the nature of warfare changes, it is only getting worse. In highlighting the inspiring stories of the resilient men and women in the armed forces who have the courage to confront the issue and offer a potential lifeline to the soldiers, Lethal Warriors challenges us to deal openly, honestly, and intelligently with the true costs of war.

Eclipse *Macmillan*

Fever Swamp

A Journey Through the Strange Neverland of the 2016 Presidential Race *Quercus*

By fall 2015, the rise of Donald Trump as the likely Republican nominee confirmed that, for better or worse, Americans had been transported to a strange new land populated by mysterious creatures, where the normal laws of the political universe no longer applied. Fascinated, amused, and appalled, bestselling novelist Richard North Patterson accepted an invitation to write one column per week for the Huffington Post about the presidential race. Those essays are collected here for the first time in a highly personal "journal" chronicling Patterson's observations in real time. Before long, thousands of Americans were reading Patterson's weekly descriptions of the campaign, a gauntlet without rules in which the projected psyches of the candidates reflected--and stirred--the roiling emotions of a substantially disgruntled electorate. Smart, prescient, funny, and deeply informed by extensive background research, these pieces form a narrative that captures the race as it occurred--the bald-faced lies, the painful truths, the pivotal issues, and the astonishing personalities that made the election of 2016 utterly unpredictable and uniquely consequential. Best of all, in marginalia scattered throughout the book Patterson looks back to see where he was right, where he was wrong, and where events were so beyond human experience that no one could have predicted them. In this bracing, funny book, Patterson brings to bear a novelist's piercing sensibility to the process of examining the election, moments that betray a candidate's character and inner life and hold up a mirror to the American population. Filled with fresh insights and indelible prose, Fever Swamp is a masterful take on a unique campaign filled with the pathos, humor, and important lessons of the liveliest playground shoving match.

Once Upon a Country

A Palestinian Life *Farrar, Straus and Giroux*

A New York Times Book Review Editors' Choice A teacher, a scholar, a philosopher, and an eyewitness to history, Sari Nusseibeh is one of our most urgent and articulate authorities on the conflict in the Middle East. From his time teaching side by side with Israelis at the Hebrew University through his appointment by Yasir Arafat to administer the Arab Jerusalem, he has held fast to the principles of freedom and equality for all, and his story dramatizes the consequences of war, partition, and terrorism as few other books have done. This autobiography brings rare depth and compassion to the story of his country.

The Outside Man *Open Road Media*

A Northern lawyer in a Southern town risks his life to bring a killer to justice in this suspenseful legal thriller by a #1 New York Times--bestselling author. A Yankee through and through, Adam Shaw never felt at ease among the upper crust of the Deep South. An attorney to some of the most powerful people in Alabama, he is close with only two of them. When Adam’s best friend, Henry Cantwell, disappears after his wife is murdered, Adam starts asking questions, delving beneath the town’s tranquil facade. While the police hunt for the killer, Adam risks everything—his professional standing, his marriage, and his very life to save Henry from the electric chair and bring the right man to justice.

The Alexander Cipher *Grand Central Publishing*

Workers in Alexandria are excavating for a new building when they discover the ruins of an old tomb, and all work crashes to a halt. According to federal law in Egypt, all discoveries must be properly catalogued by archeologists and this tomb has unusual relics and representations, apparently contemporary with Alexander the Great. Daniel Knox's first love is history and archeology, specifically on Alexander the Great. When he pisses off a local mobster on the coast of Egypt, he heads to Alexandria to an archaeology colleague's apartment to hide out for a while. He learns his friend is getting to participate on the dig for this newly discovered tomb. Sneaking in with his friend, Daniel sees signs that the find is far bigger than anyone realizes and might hold clues to finally unravelling one of the world's greatest mysteries: Where is Alexander the Great buried? In his lifetime, Alexander was beloved as a god, and across the Mediterranean, everyone wanted to be close to him. Upon his death, there was a mad scrabbling among his former allies to secure his empire for themselves. Even now, nearly 2500 years later, Alexander is still being fought over. With the discovery of this tomb and the revelation of its relics, the race is on to find Alexander. Rival archeologists, Egyptian officials, and Macedonian nationalists all scurry and scramble, attacking each other along the way as they hunt for a glorious prize--the body of Alexander the Great.

Destination Casablanca

Exile, Espionage, and the Battle for North Africa in World War II *PublicAffairs*

This rollicking and panoramic history of Casablanca during the Second World War sheds light on the city as a key hub for European and American powers, and a place where spies, soldiers, and political agents exchanged secrets and vied for control. In November 1942, as a part of Operation Torch, 33,000 American soldiers sailed undetected across the Atlantic and stormed the beaches of French Morocco. Seventy-four hours later, the Americans controlled the country and one of the most valuable wartime ports: Casablanca. In the years preceding, Casablanca had evolved from an exotic travel destination to a key military target after France's surrender to Germany. Jewish refugees from Europe poured in, hoping to obtain visas and passage to the United States and beyond. Nazi agents and collaborators infiltrated the city in search of power and loyalty. The resistance was not far behind, as shopkeepers, celebrities, former French Foreign Legionnaires, and disgruntled bureaucrats formed a network of Allied spies. But once in American hands, Casablanca became a crucial logistical hub in the fight against Germany--and the site of Roosevelt and Churchill's demand for "unconditional surrender." Rife with rogue soldiers, power grabs, and diplomatic intrigue, Destination Casablanca is the riveting and untold story of this glamorous city--memorialized in the classic film that was rush-released in 1942 to capitalize on the drama that was unfolding in North Africa at the heart of World War II.

The Outside Man

A Novel *Random House Digital, Inc.*
Tormented by racial injustice and the bizarre murder of a prominent woman, a northern society lawyer discovers the truth which may destroy his life

The Exile

BookShots *Random House*
James Patterson’s BookShots. Short, fast-paced, high-impact entertainment. An exile can never return... Finn O’Grady, working the night shift as a security guard in London, receives a phone call at dawn. Bridie, a woman he once loved before he left his hometown of Kilmeaden in the west of Ireland, believes she’s in terrible danger and needs his help. Finn has made a new life for himself and can’t go back to the pain and tragedy he left behind in Ireland. But when Bridie’s brother is found brutally murdered, Finn has no choice but to return to a life he’d tried to forget.

Zoli

A Novel *Random House*
A unique love story, a tale of loss, a parable of Europe, this haunting novel is an examination of intimacy and betrayal in a community rarely captured so vibrantly in contemporary literature. Zoli Novotna, a young woman raised in the traveling Gypsy tradition, is a poet by accident as much as desire. As 1930s fascism spreads over Czechoslovakia, Zoli and her grandfather flee to join a clan of fellow Romani harpists. Sharpened by the world of books, which is often frowned upon in the Romani tradition, Zoli becomes the poster girl for a brave new world. As she shapes the ancient songs to her times, she finds her gift embraced by the Gypsy people and savored by a young English expatriate, Stephen Swann. But Zoli soon finds that when she falls she cannot fall halfway-neither in love nor in politics. While Zoli’s fame and poetic skills deepen, the ruling Communists begin to use her for their own favor. Cast out from her family, Zoli abandons her past to journey to the West, in a novel that spans the 20th century and travels the breadth of Europe. Colum McCann, acclaimed author of *Dancer and This Side of Brightness*, has created a sensuous novel about exile, belonging and survival, based loosely on the true story of the Romani poet Papsuza. It spans the twentieth century and travels the breadth of Europe. In the tradition of Steinbeck, Coetzee, and Ondaatje, McCann finds the art inherent in social and political history, while vividly depicting how far one gifted woman must journey to find where she belongs. Praise for Zoli “Soaring and stumbling over decades of midcentury Eastern Europe, Zoli is a riveting novel.”—Gail Caldwell, *Boston Sunday Globe* “Beautifully written . . . Beautifully conceived, wonderfully told, the story is proof of an indomitable spirit. The elusive character of Zoli, the brilliang artist, is unforgettable.”—The Washington Post Book World **BONUS:** This edition includes an excerpt from Colum McCann’s *TransAtlantic*.

No Safe Place *Ballantine Books*
In the high-stakes, high-pressure world of presidential politics, where predators carry microphones and one misstep can savage a lifetime of achievement, Kerry Kilcannon is the rarest player of all. Kilcannon believes he can make the system work. And he just may die trying. Driven by the violent nightmare of his childhood, fueled by forces that few could understand, and burdened by secrets no one must know, Kilcannon is running for President—and entering the crucial battleground of California with seven days to go. But for Kilcannon, there are hurdles that his courage, charisma, and compassion may not overcome: the network correspondent he still loves; the reporter bent on their exposure; the rival who'll do anything to win; and the fanatic who believes that he must murder Kilcannon to protect the right to life. . . .

Dark Lady

A Novel *Ballantine Books*
In *Dark Lady*, Richard North Patterson displays the mastery of setting, psychology, and story that makes him unique among writers of suspense, and one of today's most original and enthralling novelists. In Steelton, a struggling Midwestern city on the cusp of an economic turnaround, two prominent men are found dead within days of each other. One is Tommy Fielding, a senior officer of the company building a new baseball stadium, the city's hope for the future. The other is Jack Novak, the local drug dealers' attorney of choice. Fielding's death with a prostitute, from an overdose of heroin, seems accidental; Novak is apparently the victim of a ritual murder. But in each case the character of the dead man seems contradicted by the particulars of his death. Coincidence or connection? The question falls to Assistant County Prosecutor Stella Marz. Despite a traumatic breach with her alcoholic and embittered father, she has risen from a working-class background to become head of the prosecutor's homicide unit. A driven woman, she is called the Dark Lady by defense lawyers for her relentless, sometimes ruthless, style: in seven years only one case has gotten away from her, and only because the defendant took his own life. She has earned every inch of both her official and her off-the-record titles, and recently she's decided to go after another: to become the first woman elected Prosecutor of Erie County. But that was before the brutal murder of her ex-lover--Jack Novak. Novak's death leads her into a labyrinth where her personal and professional lives become dangerously intertwined. There is the possibility that Novak fixed drug cases for the city's crime lord, Vincent Moro, with the help of law enforcement personnel, and perhaps with someone in Stella's own office . . . the bitter mayoral race which threatens to undermine her own ambitions . . . her attraction to a colleague who may not be what he seems . . . the lingering, complicated effects of her painful affair with Novak . . . the growing certainty that she is being watched and followed. Making her way through a maze of corruption, deceit, and greed, trusting no one, Stella comes to believe that the search for the truth involves the bleak history of Steelton itself--a history that now endangers her future, and perhaps her life. For his uncanny dialogue, subtle delineation of character, and hypnotic narrative, critics have compared Richard North Patterson to John O'Hara and Dashiell Hammett. Now, in the character of the Dark Lady, he

has created a woman as fascinating as her world is haunting. *Dark Lady* is his signature work.

Eyes of a Child *St. Martin's Paperbacks*
A man has been found dead, a gun still wedged in his mouth. It looks like Ricardo Arias killed himself...but the physical evidence tells a different story. The police investigation turns up all sorts of troubling data—a bitter estrangement between Ricardo and his wife, Terri; an ugly custody battle over their six-year-old daughter, Elena; charges of child molestation. And before long there's a murder suspect: San Francisco defense attorney and political hopeful Christopher Paget. But where's the motive? It could be that Paget is Terri's new lover. Or that Paget's own teenage son is the one who's accused of abusing Elena. But a series of long-hidden secrets—on both sides of the case—are slowly rising to the surface...and threaten to explode in the courtroom, where the final verdict will be delivered. Where the truth about what really happened to Ricardo Arias will either be revealed—or buried for good...

Intent to Kill *Harper Collins*
“[A] tight, twisty thriller....Hums along like a sizzling fastball thrown straight and sure.” —Providence Journal-Bulletin Bestselling author James Grippando is back with a gripping stand-alone thriller. *Intent to Kill* electrifies from the first inning on—as a fallen baseball star-turned-sports radio “shock jock” tries to expose a conspiracy and outwit a killer. Crackling with Grippando’s trademark suspense, ingenious plotting, and unforgettable characters, *Intent to Kill* is a grand slam from the author Nelson DeMille calls, “A very intense and ingenious storyteller.”

The Race

A Novel *MacMillan*
Corey Grace—a handsome and charismatic Republican senator from Ohio—is plunged by an act of terrorism into a fierce presidential primary battle with the favorite of the party establishment and a magnetic leader of the Christian right. A decorated Gulf War pilot, Grace insists on voting his own conscience rather than the party line, and this stubborn independence—together with his growing romance with Lexie Hart, an African-American movie star—has earned him a reputation as an unpredictable iconoclast. But Grace is still haunted by a tragic mistake buried deep in his past, and now his integrity will be put to the test in this most brutal of political contests, in which nothing in his past or present life is off-limits. A vivid and sometimes frightening depiction of contemporary power politics, *The Race* culminates in a deadlocked and febrile party convention where Grace must resolve the conflict between his feelings for Lexie and his presidential ambitions—and decide just who and what he is willing to sacrifice.

Loss of Innocence *Hachette UK*
June, 1968. America is in a state of turbulence, engulfed in civil unrest and uncertainty. Yet for Whitney Dane - spending the summer of her twenty-second year on Martha's Vineyard - life could not be safer, nor the future more certain. Educated at Wheaton, soon to be married, and the youngest daughter of the patrician Dane family, Whitney has everything she has ever wanted, and is everything her all-powerful and doting father, Charles Dane, wants her to be. But the Vineyard's still waters are disturbed by the appearance of Benjamin Blaine. An underprivileged, yet fiercely ambitious and charismatic young man, Blaine is a force of nature neither Whitney nor her family could have prepared for. As Ben's presence begins to awaken independence within Whitney, it also brings deep-rooted Dane tensions to a dangerous head. And soon Whitney's set-in-stone future becomes far from satisfactory, and her picture-perfect family far from pretty. A sweeping family drama of dark secrets and individual awakenings, set during the most consequential summer of recent American history.

The Blood of Patriots

How I Took Down an Anti-Government Militia with Beer, Bounty Hunting, and Badassery *BenBella Books*
When Bill Fulton arrived in Alaska, he was filled with optimism and big dreams. When he left, it was under FBI escort. Bill was Army Infantry. When his knees gave out, he opened the Drop Zone, a military surplus store in Anchorage, and started hiring fellow vets. Sharpshooting hippies, crew-cutted fundamentalists, PTSD sufferers—all seeking purpose and direction. Alaska gave it to them. The Last Frontier is vast. The perfect refuge for fugitives and the perfect place for vets itching for a mission, Alaska is a giant icebox full of people either running to or away from something. More than 400 fugitives would meet Bill and company on the wrong side of a gun, and he would learn many lessons along the way—like even tiptoeing through subzero snow can get you shot, and removing a gun from the butt crack of a 300-pound man is just as fun as it sounds. Bill was enjoying the ride until, one day, the FBI asked him to go undercover, and his road forked. Schaeffer Cox was a sovereign citizen who believed no government had authority over him and a private militia commander amassing an arsenal and plotting to kill judges and law enforcement officers. Bill's mission: to take down Cox and his militia without a shot being fired. The Blood of Patriots traverses a wide swath of rugged territory. Raucously funny and stark, it depicts men, once brothers in arms serving their country, who now find themselves on opposite sides of those arms in a deadly test of the intricacies of liberty, the proper role of government, and the true meaning of patriotism. It offers a witty and unsettling look at political rhetoric gone haywire and a movement the FBI considers the single greatest threat to law enforcement in the nation—all set in the beautiful, terrifying landscape of our 49th State.

On the Hills of God *NewSouth Books*
On the Hills of God describes the year-long journey of a boy becoming a man, while all that he has known crumbles to ashes. The novel has been translated into German and Arabic and won the PEN Oakland Award for literary excellence. Critic Ishmael Reed calls it “a monumental book.” This revised edition includes a new introduction. When we first encounter Palestinian Yousif Safi in June 1947, he is filled with hopes for his education abroad to study law, and with daydreams of his first love, the beautiful Salwa. But as the future of Palestine begins to look bleak due to the pressure on the United Nations from the international Zionist movement, Yousif is frustrated by his fellow Arabs' inability to thwart the Zionist encroachment and by his own inability to prevent the impending marriage of Salwa to an older suitor chosen by her parents. As Palestinians face the imminent establishment of Israel, Yousif resolves to face his own responsibilities of manhood. Despite the monumental odds against him, Yousif vows to win back both his loves -- Salwa and Palestine -- and create his world anew.

Conviction

A Novel *Christopher Paget*

Fifteen years after he is convicted and sentenced to die for the murder of a young girl, lawyer Teresa Peralta Paget, her husband, and her stepson become convinced that Rennell Price did not receive a fair trial and race to stop his execution.

The Trials of Zion *Hachette UK*

"No one knows more about Israel's existential dilemma than Alan Dershowitz-or writes about it better. From its explosive beginning to its startling climax, The Trials of Zion excites and intrigues, even as it depicts the unique dangers of a lethal part of the world. This is a terrific novel." -- Richard North Patterson "For a legalist, mired for years in towers of ivory not even hewn from the teeth of endangered elephants but constructed, indeed, and solely, of the casuistic and notional, Mr. Dershowitz writes a real good rip-snorter." -- David Mamet "A thought-provoking thriller set in two of the world's most gripping arenas of conflict, the Middle East and the courtroom." -- Steven Pinker, author of The Stuff of Thought,and Rebecca Newberger Goldstein, author of 36 Arguments for the Existence of God: A Work of Fiction "As in all his essays, in his novel also, Alan Dershowitz demonstrates his great love for Israel as well as his inspired passion for Jewish memory, justice, and

storytelling." -- Elie Wiesel A shocking act of terror brings the Middle East to the point of explosion. As the resulting political conflict threatens to erupt, a young Jewish-American lawyer joins the defense team of an arrested but possibly innocent Palestinian. Soon the lawyer's father, a famed criminal attorney, must win the Palestinian's case or risk losing his daughter forever. To do so, he must take into account the tormented history of the Holy Land from every possible angle. The Trials of Zion combines the tension of the greatest courtroom dramas with the action of a fast-moving thriller, all set against the colorful backdrop of one of the most complex cultural settings in the world. Filled with memorable characters, this novel offers readers not only compelling suspense, but a panoramic view of the history of a beloved and bitterly contested land, and a sharply controversial perspective on the sources of--and the possible solutions to--the world's longest and most crucial international crisis.

Eclipse *MacMillan*
