Wally West, also known
as The Flash, has never
felt quite at home in
the Justice League of
America (JLA). Forever
relegated to the
second string when it
comes to power, at

least Wally knows that he is the fastest man alive. However, when someone starts murdering people in Keystone City, Wally quickly realizes that there is someone faster than he is.

The Flash: Stop Motion by Mark Schultz; audio book by Graphic Audio, is pretty good. This story is part of a series of books about the Pre New 52 DCU Justice League. As far as I know all of the books are stand alone stories, and I don't think you need to read them in any particular order to understand any of them.

The Flash: Stop Motion (Justice League of America) by Mark Schultz. The Flash: Stop Motion (Justice League of America) by Mark Schultz. Multicast performance. Produced by Graphic Audio. Approx 6 hours. I have become hooked, if not addicted, to the audio books by Graphic

Audio. Their production is full of mind-ripping sound effects, mood driving background music and a cast that captures the voices of the super heroes perfectly.

The Flash: Stop Motion (Justice League of America) by Mark ...

The combination of sound effects and artistic vocal performances creates what Graphic Audio calls a “Movie in your Mind” and that is truly what Flash – Stop Motion is. Wally West has never felt quite at home in the Justice League of America (JLA). Coming up through the ranks, he has felt that he has never really fit in.

Graphic Audio Review: Flash – Stop

The Flash Episode 1: Fastest Man Alive (DC Comics Stop ...

The Flash is a super-hero crime fighter and member of the Justice League, who's the fastest man alive. This story concerns a series of strange killings. The culprit is, in fact, from beyond our universe ... a superluminal entity who finds itself attracted to super-speedsters.

The Flash: Stop Motion (Justice League of America): Mark ...

The Flash is nicely presented as a younger hero, very

powerful yet insecure against the legends of the JLA, and the otherworldly antagonist is effectively creepy and interesting. After building up the powers of this extra-dimensional SuperLuminal in anticipation of the final encounter the author does the unforgiveable.
