2003. 4.5 out of 5 stars 183.

Amazon.com: Performance Appraisal: Books

Performance appraisals rarely focus on developing an employee’s skills and abilities. They do not provide commitments of time and resources from the organization about how they will encourage employees to develop their skills in areas of interest to the employee. The purpose of performance evaluation is to provide developmental feedback that will help the employee continue to grow in their skills and ability to contribute to the organization.
