Save thousands by learning what business schools won't teach, and earn thousands acting on the information in this book! Why wait? Create Your Own Money... the government certainly does.

Create Your Own Religion *Red Wheel Weiser*

"One of the most refreshing, humorous, and radically honest books about practical and comparative religion this reviewer has ever come

across.”—Library Journal (starred review) Create Your Own Religion is a call to arms—an open invitation to question all the values, beliefs, and worldviews that humanity has so far held as sacred in order to find the answers we need to the very practical problems facing us. Writer, philosopher, and professor of comparative religion, Daniele Bolelli, leads the reader through three thousand years of mythology, misogyny, misinformation, and the flat-out lies about “revealed truth” that continue to muddle our ability to live a peaceful life, free of guilt and shame and the ultimate fear of death. “Our worldviews are in desperate need of some housecleaning,” says Bolelli. “We enter the 21st century still carrying on our backs the prejudices and ways of thinking of countless past generations. What worked for them may or may not still be of use, so it is our job to make sure to save the tools that can help us and let go of the dead weight.” “With a cheerful, good-natured smile, Daniele Bolelli torpedoes the often luxurious but spiritually leaky battleships that sail under the various flags of the world’s organized religions.”—Tom Robbins, New York Times bestselling author “Daniele Bolelli is in the house. Minds will be blown. Lives will be changed.”—Joe Rogan, comedian and

podcast host “Bolelli’s direct confrontation with dogma without giving an inch and without prescribing a new dogma is about as fresh as it gets.”—Mike Vallely, skateboarder, musician, and actor

Creating Your Own Way to Happiness

Robert Bruce

How can this book help
me? It will help you to
believe in yourself and
instill confidence to
make the right choices

in a relationship or marriage. It will motivate you to change your life if necessary. It will make you become happier and more content with life. First and foremost you must believe in yourself. You must be able to say: "I can do anything I want to in life and believe it." I want to learn about myself and another person so I can make the right decision for my future. I am divorced or widowed and want to start my life over. I am living single and need some suggestions to improve my life and cope with the loneliness. I am in a marriage and want ideas to make it better. I am under stress and need some ideas to control it. I want to learn how to improve my communication

skills. I want to improve my image and networking skills. I want some ideas on coping with the death of a loved one. All of a sudden I am single - now what do I do? I need help caring for a loved one. I need to learn how to grieve and move my life forward. Creating Your Own Way To Happiness

Create Your Own Fate *AuthorHouse*

Nothing is "Beyond Belief" Imagination is the key to creating a new reality! Whatever you can imagine, you can implement. Whatever you believe to be actually creates the world you see. Life doesn't just happen to you. It responds to you and the thoughts that you are creating on a continuing basis. Although thoughts are

not tangible, they are programmable and powerful. Thoughts can transform the abstract into the absolute. This book is about creative visualization or wishcraft which is a way of thinking that can change your life. The principles proposed in this book can propel you from poverty to prosperity and jumpstart your JOY as you learn how to transform your thoughts into reality. The process starts with a dream, a desire, or even just a wish. Wishes come in all sizes. One can wish small or one can wish big or tall. One can even choose not to wish at all, but wishing is really the key to creating a new reality. Everything that you can conceive of already exists or you couldn't even conceive of it. Creative visualization simply makes the invisible visible! Your beliefs are the key to making the invisible materialize. Predicting the future actually becomes possible once you realize that you can create your own future by propelling your dreams into reality. The world can be yours to have and to hold once you take control of your own destiny. That doesn't mean that you can control the events that will happen in your life, but you can control how you envision those events. Those visualizations can either empower you to excel or cripple you in crisis. If you want your life to change, try doing something strange. If you want your life to

be different, do different, think different. Sometimes all that you need to change is your mind and your beliefs! Stop setting limits on your life! Become part of the cycle of life which is to Dream, desire, create and inspire.....

Create Your Own Website The Easy Way *Ilex Press*

Every small business or organisation needs a website, whether it is a simple online portfolio or a complex online shop. Expert web design teacher Alannah Moore makes this subject accessible for everyone, even those with no technical or design experience. Avoiding technical language, Alannah provides a summary of the web platforms

available, covering, among others, WordPress, Squarespace, Weebly and Shopify. From these the reader can choose the right platform for them, and very quickly get up and running. Drawing on her vast experience of what a novice website builder really needs to know, Alannah covers all the topics they will come across in their online experience: how to choose a good domain name; what content you need for your site; how to work with images and even create your own logo. The reader will also learn how to integrate social media and a blog, so they are set up and in control of their virtual presence from every aspect. This is the perfect book for anyone who doesn't

want to pay for an expensive web designer. In Alannah's safe and capable hands, they will find the process of building their site easy and enjoyable, and they'll soon have a successful online presence.

overwhelming obstacles that would seem impossible for most to comprehend. Your hearth will be touched by the journey our author has taken and you will be delighted by Sharyn's story telling capacity.

Create Your Own Hedge Fund *John Wiley & Sons*

Discover a practical trading strategy that combines options and ETFs. Create Your Own Hedge Fund explains how exchange-traded funds can be used in conjunction with an options strategy to attain steady growth. Beginning with a tutorial on options and ETFs, the book goes on to describe both investment approaches in great detail providing you with a trading strategy that generates higher return than buy-and-hold investing -- and allows you to reduce risk by adopting a hedging strategy. Filled with in-depth insights and expert advice, this book is intended for you if you're an individual investor or a professional

investor, trader, or other money manager looking to update your arsenal of investment tools. Order your copy today!

Create Your Own Website Using WordPress in a Weekend *Taylor & Francis*

Having a website built can be a complicated and expensive undertaking. For large businesses this is a necessary expense, but for the ever-increasing number of independents and small businesses, this can easily be handled by the intrepid amateur. In *Create Your Own Website Using WordPress in a Weekend*, author Alannah Moore draws on her extensive experience to show how, in just a weekend,

almost anyone can create a website in WordPress that looks professional and is entirely tailored to their needs and preferences. Through carefully structured step-by-step tutorials, the book takes the reader through every stage of the web design process. It is illustrated with fabulous examples, and features checklists and tips throughout, covering domain registration, planning, plugins, and choosing the right theme. This will cover the upcoming WP 2012 version.

Create Your Own Printable Scrapbook Papers *Courier Corporation*

This book/DVD contains a stunning collection of decorative

patterns that paper crafters and artists will find both versatile and easy to use. Add your own color and texture in Photoshop Elements by following the easy instructions, and you will soon have an endless array of designs at your disposal. Print your designs on paper or fabric, and use them in scrapbooking, cardmaking, altered arts, and other projects. Digital scrapbookers and graphic artists will find these royalty-free backgrounds a wonderful design resource as well. The DVD features 135 unique black-and-white patterns, provided in JPG and PNG format, as well as 40 ready-to-print color versions. Pattern motifs are also included as layered

TIFF files, enabling even greater customization of the patterns.

Create Your Own Photo Book *Rocky Nook, Inc.*

These days, photographs live on hard drives and DVDs in the company of several thousand other images, coming to light on a computer screen only for a short moment, if ever. In that respect our computer is a one-image-at-a-time exhibition of our photographic work. But as photographers, we like to print our best images, frame and show them at home or at an exhibition, or present a collection of prints in a portfolio. This book will guide you through the process of creating a

printed and bound portfolio of your photographs, or even a bookstore-quality coffee table book. Learn about every step of the process, from selecting a book publishing service all the way through designing and proofing your photo book. You'll get practical advice on how to work with software provided by services such as Blurb or Viovia, and will learn about relevant concepts of book design, color management, and digital printing. *Create your Own Photo Book* is the perfect guide for the aspiring amateur photographer as well as the seasoned pro.

Create Your Own Rewarding Retirement *Outskirts Press*

Congratulations on your retirement. What type of retirement did you select? Retirement with no work? Phased-in retirement with phased-out work? Retirement with part-time work? Or did you select no retirement with continued work? Regardless of which type of retirement you selected, it is the right retirement for you. You are now entering a new phase in your life journey that will last 20 years on average. In many instances it will last a lot longer with

many of you living a retirement that equals, or even exceeds, that of your work life. Regardless of the type of retirement you have chosen or how long it lasts, it will be more rewarding if you take charge and create short- and long-term retirement goals as a guide for your daily life. The time will fly by just like it did when you were working. In order to help you with the next phase of your life journey, *Create Your Own Rewarding Retirement* has been designed as a companion text to *Discover the Right Retirement for You* in which you discovered the type of retirement that was best for you. This book goes beyond that to help you create and complete your goals after you retire.

The reader has several choices as to how to use this book. You can use it as a workbook by completing all of the chapter worksheets and creating your retirement goals; or you can use it as a history book to chronicle your journey as you create and complete each goal; or you can use it as a storybook about the retirement expectations and experiences of people just like you. Each of choices will be of value to you. Ideally this book is intended to be used in all three ways and it is recommended that you do so to achieve the maximum value from it. Remember that you, and you alone, have the ability to make an ordinary retirement into an extraordinary

one.

Create Your Own Farm Stickers *Courier Corporation*

Invent your own farm scene by applying 32 reusable stickers (depicting farm boy and girl and a variety of animals) to a background picture complete with barn, farmhouse, and meadows.

Creating Your Own Japanese Garden *Japan Publications Trading*

The strong horizontals of bamboo reflected in a dark circle of water; the rhythmic clap of the deer scarer; the contemplative beauty of waves created in sand: combinations of nature and art that soothe and uplift the spirit. Your vision of a Japanese garden need

not be confined to Japan. Here is a fully comprehensive guide which will enable you to capture in your home or office environment the elusive spirit of the Japanese garden-no matter where you live. The author, a Japanese landscape architect who has been living and designing Japanese gardens in the West for many years, will show you step by-step how to accomplish this ideal utilizing your own special environment and using materials which are readily available in the West. Since moving to the UK in 1974, the author has designed and created many Japanese gardens, from small private gardens to large public spaces of over two acres. It is

from this direct experience that he draws the material for this book. The step-by-step instructions are easy-to-follow, and also included are many drawings and photographs to illustrate the points that are made. Many books on Japanese gardens can be found in bookstores and libraries, but most do not take into account the different environments found outside Japan nor the diverse materials available worldwide. They tend either to be translations of books written by Japanese landscape architects and gardeners living and working in Japan, or books written by those who visit Japan to research the gardens, with the intention of introducing

them to the rest of the world... These books are ideal for learning about the history and appearance of Japanese gardens, but lack the practical advice necessary for constructing your own garden.. I believe that as the interest in and understanding of Japanese culture continues to spread, so will the popularity of and desire for Japanese gardens. I hope that this book will give pleasure to all those of you who, like me, are captivated by the gardens of Japan, and that it will help you to create a garden of your own that you can enjoy day after day.

**Create Your Own
Online Store in a
Weekend** *Chronicle
Books*

The advantages of

selling your products online are many—low overhead, global markets, twenty-four-hour shopping—but perhaps most important is the level playing field offered by the internet. With a distinctive product and professional-looking website, you stand as much of a chance at success as anyone, even if others have more money to invest. In *Create Your Own Online Store in a Weekend*, Alannah Moore guides entrepreneurs through the process of setting up an online business and creating a website that fits both their products and their budget. This accessible primer provides detailed information on how to set up and provide content for your site as well as the

right storefront and payment solutions. Moore addresses all aspects of running an online business, including marketing, order management, and boosting sales. Whether you are selling goods, services, or downloadable files, this guide will help you find the e-commerce solution that's right for you.
