"In China, a woman is nothing." Thus begins the saga of a woman born at the turn of the century to a well-to-do, highly respected Chinese family, a woman who continually defied the expectations of her family and the traditions of her culture. Growing up in the perilous years between the fall of the last emperor and the Communist Revolution,

Chang Yu-i's life is marked by a series of rebellions: her refusal as a child to let her mother bind her feet, her scandalous divorce, and her rise to Vice President of China's first women's bank in her later years.
