America Against The World How
America Against the World: How We Are Different and Why We Are Disliked is a non-fiction book that was written by Andrew Kohut and Bruce Stokes in 2007 about United States foreign policy and the causes of dislike of Americans in other countries. Kohut is a former president of the American Association for Public Opinion Research and the National Council on Public Polls. The book consists of 91,000 interviews that were conducted in 50 countries and collected by the Pew Foundation and other organiz

America Against the World - Wikipedia
"America Against The World" is a book written by two math nerds (they're opinion pollsters) that compares the American "self-view" to the "self-view" of Europeans, Africans, and Asians. The argument being that the rest of the world "doesn't get" America and it'd be interesting to find out why (or even if it's true).
