What's behind the South China Sea dispute? | Start Here

...

The South China Sea is basically China's export waterway to Africa and to Europe (among other markets), but in order for China's enemy (aspiring conqueror), America, to harm and weaken China maximally, and to use the United Nations assisting in that aggression, America and its allies have cast this vital trade-waterway as being instead basically just an area to be exploited for oil and gas, and minerals, and fishing. The American Government's aggression — its effort to strangulate ...
