MTH Z-4000 Transformer having issues with Lionel engines ...

So I have made the plunge and switched to an MTH transformer instead of using a Lionel transformer. I have accumulated quite a few steam and diesel MTH locomotives with proto sound over the last few months and can't really use them to the full extent since Lionel transformers do not have a seperate bell and whistle button. (I also really like the style of the MTH controller.) With that said ...
