Sample Write-Ups - Washington University in St. Louis

SAMPLE history is a mnemonic acronym to remember key questions for a person's medical assessment. The SAMPLE history is sometimes used in conjunction with vital signs and OPQRST. The questions are most commonly used in the field of emergency medicine by first responders during the secondary assessment. It is used for alert people, but often much of this information can also be obtained from the family or friend of an unresponsive person. In the case of severe trauma, this
