In general, our analysis of Paying For It Chester Brown has actually provided us with an abundant understanding of the narrative and its literary capacity. We very recommend this book to readers who are seeking a provocative and emotionally impactful read.

Paying for It *Drawn and Quarterly*

The critically lauded memoir about being a john, available in paperback for the first time! Paying for It was easily the most talked-about and controversial graphic novel of 2011, a critical success so innovative and complex that it received two rave reviews in The New York Times and sold out of its first print run in just six months. Chester Brown's eloquent, spare artwork stands out in this paperback edition. Paying for It combines the personal and sexual aspects of Brown's autobiographical work (*I Never Liked You*, *The Playboy*) with the polemical drive of Louis Riel. He calmly lays out the facts of how he became not only a willing participant in but also a vocal proponent of one of the world's most hot-button topics—prostitution. While this may appear overly sensational and just plain implausible to some, Brown's story stands for itself. Paying for It offers an entirely contemporary exploration of sex work—from the timid john who rides his bike to his escorts, wonders how to tip so as not to offend, and reads Dan Savage for advice, to the modern-day transactions complete with online reviews, seemingly willing participants,

and clean apartments devoid of clichéd street corners, drugs, or pimps. Complete with a surprise ending, *Paying for It* continues to provide endless debate and conversation about sex work.

Mary Wept Over the Feet of Jesus
Drawn & Quarterly

The idiosyncratic master Chester Brown continues his thoughts on sex work. The iconoclastic and bestselling cartoonist of *Paying for It*: A comic-strip memoir about being a john returns with a polemical interpretation of the Bible that will be one of the most controversial and talked-about graphic novels of 2016. *Mary Wept over the Feet of Jesus* is the retelling in comics form of nine biblical stories that present Chester Brown's fascinating and startling thesis about biblical representations of prostitution. Brown weaves a connecting line between Bathsheba, Ruth, Rahab, Tamar, Mary of Bethany, and the Virgin Mother and reassesses the Christian moral code by examining the cultural implications of the Bible's representations of sex work. *Mary Wept over the Feet of Jesus* is a fitting follow-up to Brown's sui generis graphic memoir *Paying for It*, which was reviewed twice in the *New York Times* and hailed by sex workers for Brown's advocacy for the decriminalization and normalization of prostitution. Brown approaches the Bible as he did the life of Louis Riel, making these stories compellingly readable and utterly pertinent to a modern audience. In classic Chester Brown fashion, he provides extensive handwritten endnotes that delve into the biblical lore that informs *Mary Wept Over the Feet of Jesus*.

The Playboy *Drawn and Quarterly*

D&Q's first ever graphic novel, published in 1992, this is an excellent companion to *I Never Liked You*. Stark and expressionistic, this is Chester Brown's frank and unsettling account of first his adolescent and then adult relationship with pornography. It begins in 1975 with an abandoned copy of *Playboy*.

Ed the Happy Clown *Drawn & Quarterly*

A long-out-of-print classic by a master of underground comics. In the late 1980s, the idiosyncratic Chester Brown (author of the much-lauded *Paying For It* and *Louis Riel*) began writing the cult classic comic book series *Yummy Fur*. Within its pages, he serialized the groundbreaking *Ed the Happy Clown*, revealing a macabre universe of parallel dimensions. Thanks to its wholly original yet disturbing story lines, *Ed* set the stage for Chester Brown to become a world-renowned cartoonist. *Ed the Happy Clown* is a hallucinatory tale that functions simultaneously as a dark roller-coaster ride of criminal activity and a scathing condemnation of religious and political charlatanism. As the world around him devolves into madness, the eponymous *Ed* escapes variously from a jealous boyfriend, sewer monsters, the Royal Canadian Mounted Police, and a janitor with a Jesus complex. Brown leaves us wondering, with every twist of the plot, just how *Ed* will get out of this scrape. The intimate, tangled world of *Ed the Happy Clown* is definitively presented here, repackaged with a new foreword by the author and an extensive notes section, and, as with every Brown book, astonishingly perceptive about the zeitgeist of its time.

Louis Riel *Drawn & Quarterly*

Chester Brown reinvents the comic book medium to create the critically acclaimed historical biography *Louis Riel*. Brown won the Harvey Awards for best writing and best graphic novel for his compelling, meticulous, and dispassionate retelling of the charismatic, and perhaps insane, nineteenth-century Metis leader's life. Brown coolly documents with dramatic subtlety the violent rebellion on the Canadian prairie led by Riel, an embattled figure in Canadian history, regarded by some as a martyr who died in the name of freedom, while others consider him a treacherous murderer.

I Never Liked You *Drawn & Quarterly*

A harrowing memoir of loss and the struggle to connect, Brown's story is told with a spare poetic elegance. A self-absorbed teenager, Chester Brown strays into the difficult territory of friendship and early love while at home there is a slowly building crisis over his mother's mental health. Emotionally intense, the story veers unsteadily between the extremes of eerie detachment and sudden desperate outbursts of need. A complex and disturbing true story told with a nuanced, queasy visual style that lingers in the mind long after the book has been put away.

Little Man *Drawn & Quarterly*

"One of the medium's brilliant mavericks." — *time.com* *The Little Man: Short Strips, 1980-1995* is a collection of short-story works by the celebrated and bestselling Louis Riel cartoonist Chester Brown. From his early experimental comedic surrealism to his later autobiographical and essay strips, we see not a major talent in development but a fully realized storytelling virtuoso.

Included are his early autobiographical stories "Helder" (a story about a young man's tentativeness when pursuing a woman), "Showing Helder" (a blow-by-blow account of the construction of the previous story), and "Danny" (a strangely compelling moment-by-moment account of Brown waking up and trying to avoid contact with a fellow rooming-house tenant). Other standouts are Brown's controversial essay on schizophrenia (specifically his own mother's) and various medical views on this baffling disease, and the title story, "The Little Man," a Freudian classroom romp fantasy by a adolescent Brown that ties into the schizophrenia essay in a surprising way. The acclaimed compendium, culled mostly from his groundbreaking comic book series *Yummy Fur*, provides a fascinating insight into Brown's psyche; he rounds out the collection with exacting notes on each story.

Chester Brown

Conversations *Univ. Press of Mississippi*

The early 1980s saw a revolution in mainstream comics--in subject matter, artistic integrity, and creators' rights--as new methods of publishing and distribution broadened the possibilities. Among those artists utilizing these new methods, Chester Brown (b. 1960) quickly developed a cult following due to the undeniable quality and originality of his *Yummy Fur* (1983-1994). *Chester Brown: Conversations* collects interviews covering all facets of the cartoonist's long career and includes several pieces from now-defunct periodicals and fanzines. Brown was among a new generation of artists whose work dealt with decidedly nonmainstream subjects.

By the 1980s comics were, to quote a by-now well-worn phrase, "not just for kids anymore," and subsequent censorious attacks by parents concerned about the more salacious material being published by the major publishers--subjects that routinely included adult language, realistic violence, drug use, and sexual content--began to roil the industry. Yummy Fur came of age during this storm and its often-offensive content, including dismembered, talking penises, led to controversy and censorship. With Brown's highly unconventional adaptations of the Gospels, and such comics memoirs as *The Playboy* (1991/1992) and *I Never Liked You* (1991-1994), Brown gradually moved away from the surrealistic, humor oriented strips toward autobiographical material far more restrained and elegiac in tone than his earlier strips. This work was followed by *Louis Riel* (1999-2003), Brown's critically acclaimed comic book biography of the controversial nineteenth-century Canadian revolutionary, and *Paying for It* (2011), his best-selling memoir on the life of a john.

Mary Wept Over the Feet of Jesus *Drawn and Quarterly*

The idiosyncratic master Chester Brown continues his thoughts on sex work. The iconoclastic and bestselling cartoonist of *Paying for It: A comic-strip memoir about being a john* and *Louis Riel* returns with a polemical interpretation of the Bible that will be one of the most controversial and talked-about graphic novels of 2016. *Mary Wept Over the Feet of Jesus* is the retelling in comics form of nine biblical stories that present Chester Brown's fascinating and startling thesis about biblical representations of prostitution. Brown weaves a connecting

line between Bathsheba, Ruth, Rahab, Tamar, Mary of Bethany, and the Virgin Mother. He reassesses the Christian moral code by examining the cultural implications of the Bible's representations of sex work. *Mary Wept Over the Feet of Jesus* is a fitting follow-up to Brown's sui generis graphic memoir *Paying for It*, which was reviewed twice in *The New York Times* and hailed by sex workers for Brown's advocacy for the decriminalization and normalization of prostitution. Brown approaches the Bible as he did the life of Louis Riel, making these stories compellingly readable and utterly pertinent to a modern audience. In classic Chester Brown fashion, he provides extensive handwritten endnotes that delve into the biblical lore that informs *Mary Wept Over the Feet of Jesus*.

The Playboy *Drawn and Quarterly*

A memoir of shocking honesty by the graphic novelist behind 2011's acclaimed comic *Paying for It*. As with every Chester Brown book, *The Playboy*—originally published in 1992—was ahead of its time, illustrating the fearlessness and prescience of the iconoclastic cartoonist. A memoir about Brown's adolescent sexuality and shame, *The Playboy* chronicles his teenage obsession with the magazine of the same name, but it's also a work that explores the physical form of comics to their fullest storytelling capacity. In it, a fifteen-year-old Chester is visited by a time-traveling adult Chester, and the latter narrates the former's compulsion to purchase each issue of *Playboy* as it appears on newsstands. Even more fascinating than his obsession with the magazine is his need to keep his habit secret and the resulting lengths to which

he goes to avoid detection by his family and, later, his girlfriends. The comics that became *The Playboy* first appeared in issues of Brown's controversial, groundbreaking comic *Yummy Fur* more than twenty years ago, and yet the frankness of the work makes it seem avant-garde even now. As in every work by this master cartoonist, *The Playboy* uses no extra words, no extra panels, no extra lines, conveying environment and emotion through perfectly chosen moments. Fans of his acclaimed and controversial memoir *Paying for It* are sure to be drawn in by this early autobiographical portrait of blazing honesty. The expanded reissue includes all-new appendixes and notes from the author.

Chester Brown

The Asian Turn in Foreign Investment *Cambridge University Press*

This collection critically discusses the increasing significance of Asian States in the field of international investment law and policy. Consisting of contributions authored by a leading team of scholars and practitioners of international investment law, this volume contains analyses of both national and multilateral investment law rule-making in Asia, including a critical discussion of certain States' approaches to balancing the different tension between investment protection and the

preservation of States' regulatory sovereignty. It also contains thematic chapters on cutting-edge developments which are of relevance to Asia as well as the global community, such as investors' obligations of due diligence, additional transparency in treaty-based investment arbitration responses by ASEAN member States to transboundary haze pollution, and the relevance of human rights obligations in international investment law. It also contemplates future possibilities for investor-State dispute settlement, including the use of investor-State mediation in view of the Singapore Convention on Mediation.

Commentaries on Selected Model Investment Treaties *Oxford University Press*

Model Bilateral Investment Treaties (BITs) are a state's blueprint for the investment treaties it negotiates with other states. This book compiles commentaries on the Model BITs of 19 key jurisdictions. It analyses state practice on international investment law, detailing each state's legislative regime on foreign investment and their BIT programme

The Art of Charlie Chan Hock Chye *Pantheon*

Comic Books Resources Top 100 Comics of 2016 A Mental Floss Most Interesting Graphic Novel of 2016 Meet Charlie Chan Hock Chye. Now in his early 70s, Chan has been making comics in his native Singapore since 1954, when he was a boy of 16. As he looks back on his career over five decades, we see his stories unfold before us in a dazzling array of art styles and forms, their development mirroring the evolution in the political and social landscape of his homeland and of the comic book medium itself. With *The Art of Charlie Chan Hock Chye* Sonny Liew has drawn together a myriad of genres to create a thoroughly ingenious and engaging work, where the line between truth and construct may sometimes be blurred, but where the story told is always enthralling, bringing us on a uniquely moving, funny, and thought-provoking journey through the life of an artist and the history of a nation.

We Did Porn: Memoir and Drawings *Tin House Books*

Blending memoir with Smith's own drawings and paintings, *We Did Porn* will do for alt porn what Hunter S. Thompson did for motorcycle gangs and Tom Wolfe for psychedelica. Blending memoir with Smith's own drawings and paintings, *We Did Porn* will do for alt porn what Hunter S. Thompson did for motorcycle gangs and Tom Wolfe for psychedelica. Punk artist and icon Zak Smith made a name for himself by visually interpreting Thomas Pynchon's *Gravity's Rainbow* and drawing pictures of girls in the "naked girl business." His artistic pedigree and acute observation landed him in high-profile shows from the Whitney to the San Francisco Museum of Modern Art. Somewhere along the line, Smith went from the observer to the

observed, from the guy in the corner with a sketchpad to the guy on-screen doing the unnamable for anyone eighteen or older to see. *We Did Porn* follows Zak Smith (or Zak Sabbath) from the New York art scene to Los Angeles's seedy, yet colorful, underbelly—the world of alt porn. Smith narrates his own foray into pornography and gives his readers a new understanding of the industry, its players, and its audience.

The Johns

Sex for Sale and the Men Who Buy It *Skyhorse Publishing Inc.*

A follow-up to *The Natashas* is a critical indictment of the men who solicit sex services from unwilling prostitutes, in an exposé that identifies the customers and organizations that foster and drive the sex trade throughout the world.

Simon of Space

Simon awakes with no memory, beginning a journey to discover his identity and the dark secret behind his memory-loss that will take him from world to world and star to star as he fights to find his place in a complex galactic culture in which humanity is kept as domestic stock by robots.

Invisible Chains

Canada's Underground World Of Human Trafficking *Penguin Canada*

Just outside Toronto, a 14-year-old Canadian girl was auctioned on the internet for men to purchase by the hour. A young woman was taken by slave traders from an African war zone to Edmonton to earn greater profits by exploiting her in prostitution. A gang called Wolfpack recruited teenagers in Quebec and sold them for sex to high-

profile men in the community. The global problem of human trafficking is only beginning to be recognized in Canada, even though it has been hidden in plain sight. In *Invisible Chains*, Benjamin Perrin, an award-winning law professor and policy expert, exposes cases of human trafficking, recording in-depth interviews with people on the front lines—police officers, social workers, and the victims themselves—and bringing to light government records released under access-to-information laws.

On Loving Women *Drawn and Quarterly*

"On Loving Women is in turns wistful, sexy, goofy, bittersweet, frank, and adorable. Diane Obomsawin's deceptively simple lifework and straightforward writing style capture the breathless sweetness of holding another girl's hand for the first time, and the happy, lusty intimacy of a virginity-ending, drunken threesome. Delightful."—Ellen Forney, author of *Marbles: Mania, Depression, Michelangelo, and Me* *Intimate vignettes of women coming out* *On Loving Women* is a new collection of stories about coming out, first love, and sexual identity by the animator Diane Obomsawin. With this work, Obomsawin brings her gaze to bear on subjects closer to home—her friends' and lovers' personal accounts of realizing they're gay or first finding love with another woman. Each story is a master class in reaching the emotional truth of a situation with the simplest means possible. Her stripped-down pages use the bare minimum of linework to expressively reveal heartbreak, joy, irritation, and fear. *On Loving Women* focuses primarily on adolescence—crushes on high school

teachers, awkwardness on first dates—but also addresses much deeper-seated difficulties of being out: fears of rejection and of not being who others want one to be. Within these pages, Obomsawin has forged a poignant, powerful narrative that speaks to the difficulties of coming out and the joys of being loved. Her first English-language work, *Kaspar*—a retelling of the life of Kaspar Hauser, the mysterious German youth who was raised in isolation and murdered just a few years after emerging from his imprisonment—was critically lauded for its simple but expressive storytelling, and for the way it portrayed traumatic material compassionately but without self-indulgence.

Moms *Drawn and Quarterly*

An outrageously funny book about middle-aged women that reexamines romance, lust, and gender norms Lee Soyeon, Myeong-ok, and Yeonjeong are all mothers in their mid-fifties. And they've had it. They can no longer bear the dead weight of their partners or the endless grind of menial jobs where their bosses control everything, down to how much water they can drink. Although Lee Soyeon divorced her husband years ago after his gambling drove their family into bankruptcy, she finds herself in another tired and dishonest decade-long relationship with Jongseok, a slimy waiter at a nightclub. Meanwhile, Myeong-ok is having an illicit affair with a younger man, and Yeonjeong, whose husband suffers from erectile dysfunction, has her eye on an acquaintance from the gym. Bored with conventional romantic dalliances, these women embrace outrageous sexual adventures and mishaps, ending up in nightclubs, motels, and even the

occasional back-alley brawl. With this boisterous and darkly funny manhwa, Yeong-shin Ma defies the norms of the traditional Korean family narrative, offering instead the refreshingly honest and unfiltered story of a group of middle-aged moms who yearn for something more than what the mediocre men in their lives can provide. Despite their less-than-desirable jobs, salaries, husbands, and boyfriends, these women brazenly bulldoze their way through life with the sexual vulnerability and lust typically attributed to twenty-somethings.

The Loneliness of the Long-Distance Cartoonist *Drawn and Quarterly*

A comedic memoir about fandom, fame, and other embarrassments from the life of a New York Times bestseller What happens when a childhood hobby grows into a lifelong career? *The Loneliness of the Long-Distance Cartoonist*, Adrian Tomine's funniest and most revealing foray into autobiography, offers an array of unexpected answers. When a sudden medical incident lands Tomine in the emergency room, he begins to question if it was really all worthwhile: despite the accolades and opportunities of a seemingly charmed career, it's the gaffes, humiliations, slights, and insults he's experienced (or caused) within the industry that loom largest in his memory. Tomine illustrates the amusing absurdities of how we choose to spend our time, all the while mining his conflicted relationship with comics and comics culture. But in between chaotic book tours, disastrous interviews, and cringe-inducing interactions with other artists, life happens: he fumbles his way into marriage, parenthood, and an indisputably fulfilling existence. A richer emotional story emerges as his

memories are delineated in excruciatingly hilarious detail. In a bold stylistic departure from his award-winning *Killing and Dying*, he distills his art to the loose, lively essentials of cartooning, each pen stroke economically imbued with human depth. Designed as a sketchbook complete with placeholder ribbon and an elastic band, *The Loneliness of the Long-Distance Cartoonist* shows an acclaimed artist at the peak of his career.

Chapters: Ed the Happy Clown, I Never Liked You, Louis Riel (comics), Paying for It, The Little Man (comics), The Playboy. Excerpt: Ed the Happy Clown is the title character of a comics work by Canadian cartoonist, Chester Brown. The dark, surreal and largely improvised story started with a series of unrelated short comics that Brown soon went on to tie together. Ed is a large-headed, childlike children's clown, who is subjected to one horrifying affliction after another. The story is a dark, humorous mix of genres which includes vampires, pygmy cannibals, Martians, Frankenstein's monster and others. Prominent is its use of scatological humor, nudity, sex, body horror, extreme graphic violence and potentially blasphemous religious imagery. Central to the plot are a man who cannot stop defecating; the head of a miniature Ronald Reagan attached to

the head of the protagonist's penis; and a female vampire who seeks revenge on her adulterous lover who murdered her to escape his sins. Originally serialized in Brown's comic book *Yummy Fur*, it was eventually collected in two differing editions by Vortex Comics in 1989 and 1992. The contents of the second edition were re-serialized in 2005-2006 as a nine-issue *Ed the Happy Clown* series from *Drawn and Quarterly* with extensive end notes. This series and its end notes were collected by the same publisher in 2012. The story has had a substantial influence on a number of alternative cartoonists, and has won a number of awards, including a Harvey. In 2005, *Time* placed it at #7 on its list of the 10 best English-language graphic novels ever. Canadian film director Bruce McDonald has had the rights since 1991 to make an Ed movie, but the project has struggled to get financial backing. In the early 1980s, Brown was in a creative rut until he came across a...

Woman Rebel Drawn & Quarterly

The alternative comics master offers an indelible and idiosyncratic take on the protofeminist "[Woman Rebel] is fine work from an excellent cartoonist and I urge you to jump right in."—Tom Spurgeon of *The Comics Reporter*, from his introduction Peter Bagge's *Woman Rebel: The Margaret Sanger Story* is a dazzling and accessible biography of the social and political maverick, jam-packed with fact and fun. In his signature cartoony, rubbery style, Bagge presents the life of the birth-control activist, educator, nurse, mother, and protofeminist from her birth in the late nineteenth century to her death after the invention of the birth control pill. Balancing humor and respect, Bagge makes Sanger whole and human,

showing how her flaws fueled her fiery activism just as much as her compassionate nature did. Sanger's life takes on a whole new vivacity as Bagge creates a fast-paced portrait of a trailblazer whose legacy as the founder of Planned Parenthood is still incredibly relevant, important, and inspiring.

It's a Good Life, If You Don't Weaken

In his first graphic novel, *It's a Good Life, If You Don't Weaken*, Seth pays homage to the wit and sophistication of the magazine cartoon. Disaffected by the crassness of contemporary culture, Seth takes refuge in a quest to uncover the life and work of Kalo, a forgotten New York cartoonist from the 1940s, but his obsession blinds him to his increasingly withdrawn lover and the quiet desperation of his family. Charming old-fashioned style characterizes this gently wry modern quest tale about longing, anxiety and the lessons of nostalgia.

The Narrative Corpse

A Chain-story by 69 Artists! *Gates of Heck Incorporated*

An amazing five-year project in which 69 comic artists collaborated to create a single story.

An American Demon

A Memoir *ECW Press*

An American Demon is Jack Grisham's story of depravity and redemption, terror and spiritual deliverance. While Grisham is best known as the raucous and provocative front man of the pioneer hardcore punk band TSOL (True Sounds of Liberty), his writing and true life experiences are physically and psychologically more complex, unsettling, and violent than those of Bret

Easton Ellis and Chuck Palahniuk. Eloquently disregarding the prefabricated formulas of the drunk-to-sober, bad-to-good tale, this is an entirely new kind of life lesson: summoned through both God and demons, while settling within eighties hardcore punk culture and its radical-to-the-core (and most assuredly non-evangelical) parables, Grisham leads us, cleverly, gorgeously, between temporal violence and bigger-picture spirituality toward something very much like a path to salvation and enlightenment. An American Demon flourishes on both extremes, as a scary hardcore punk memoir and as a valuable message to souls navigating through an overly materialistic and woefully self-absorbed "me first" modern society. An American Demon conveys anger and truth within the perfect setting, using a youth rebellion that changed the world to open doors for this level of brash destruction. Told from the point of view of a seminal member of the American Punk movement 'doused in violence, rebellion, alcoholism, drug abuse, and ending with beautiful lessons of sobriety and absolution 'this book is as harrowing and life-affirming as anything you're ever going to read.

Super Detectives! (Simon and Chester Book #1) *Tundra Books*

A ghost and a kid team up to solve mysteries and kick butt! A hilarious new graphic novel series for fans of Bad Guys and Dog Man. Welcome to the world of Simon and Chester, ghost and boy duo extraordinaire. They like to kick butt and take names. They don't like chores. They are best friends. And they are about to solve the MYSTERY OF A LIFETIME. (Oh, and eat some snacks probably.) Join Simon and Chester in their first

adventure, and fall in love with this hilarious odd couple by fan favorite author and illustrator Cale Atkinson.

Flat Stanley

Stanley Lambchop is just a normal healthy boy, but since a large notice-board fell on him, he's been only half an inch thick. For Stanley this presents no problems. In fact, it makes life more exciting.

My Life in a Jugular Vein

Snakepit Comics 2004-2006 *Microcosm Pub*

Collects the three-panel daily autobiographical comic featuring the hard partying record store clerk, Ben.

Queer Sex Work *Routledge*

Sex work is a subject of significant contestation across academic disciplines, as well as within legal, medical, moral, feminist, political and socio-cultural discourses. A large body of research exists, but much of this focuses on the sale of sex by women to men and ignores other performances, practices, meanings and embodiments in the contemporary sex industry. A queer agenda is important in order to challenge hetero-centric gender norms and to develop new insights into how gender, sex, power, crime, work, migration, space/place, health and intimacy are understood in the context of commercial sexual encounters. *Queer Sex Work* explores what it might mean to 'be', 'do' and 'think' queer(ly) in the study and practice of commercial sex. It brings together a multiplicity of empirical case studies – including erotic dance venues, online sex working, pornography, grey sexual economies, and BDSM – and offers a variety of

perspectives from academic scholars, policy practitioners, activists and sex workers themselves. In so doing, the book advances a queer politics of sex work that aims to disrupt heteronormative logics whilst also making space for different voices in academic and political debates about commercial sex. This unique and multidisciplinary volume will be indispensable for scholars and students of the global sex trade and of gender, sexuality, feminism and queer theory more broadly, as well as policymakers, activists and practitioners interested in the politics and practice of sex work in local, national and international contexts.

McSweeney's Quarterly Concern

An assorted sampler of North American comic drawings, strips, and illustrated stories, etc *McSweeney's Books*

Presents an anthology of contemporary comics by such cartoonists as Richard McGuire, Mark Newgarden, Lynda Barry, and Jaime and Gilbert Hernandez, along with a few vintage comics.

Ed the Happy Clown *Drawn and Quarterly*

As the world around him devolved into madness, Ed escapes variously from a jealous boyfriend, sewer monsters, the Royal Canadian Mounted Police, and a janitor with a Jesus complex.

Rent Girl

Tea and McCubbin's collaboration is an illustrated novel about a young girl's adventures in and out of the sex industry, which she finds to be an exciting outlaw occupation one minute and a traumatic existential nightmare the next.

Chester Brown

Conversations

The early 1980s saw a revolution in mainstream comics--in subject matter, artistic integrity, and creators' rights--as new methods of publishing and distribution broadened the possibilities. Among those artists utilizing these new methods, Chester Brown quickly developed a cult following due to the undeniable quality and originality of his Yummy Fur. Chester Brown: Conversations collects interviews covering all facets of the cartoonist's long career and includes several pieces from now-defunct periodicals and fanzines. Brown was among a new generation of artists whose work dealt with decidedly nonmainstream subjects. By the 1980s comics were not just for kids anymore and subsequent censorious attacks by parents concerned about the more salacious material being published by the major publishers--subjects that routinely included adult language, realistic violence, drug use, and sexual content--began to roil the industry. Yummy Fur came of age during

this storm and its often-offensive content, including dismembered, talking penises, led to controversy and censorship. With Brown's highly unconventional adaptations of the Gospels, and such comics memoirs as *The Playboy* and *I Never Liked You*, Brown gradually moved away from the surrealistic, humor-oriented strips toward autobiographical material far more restrained and elegiac in tone than his earlier strips. This work was followed by Louis Riel, Brown's critically acclaimed comic book biography of the controversial nineteenth-century Canadian revolutionary, and *Paying for It*, his best-selling memoir on the life of a john

Prophet #26 *Image Comics*

Jaxson must find a way to warn John Prophet of the newly awakened Earth Empire.

The Book of Genesis *W. W. Norton*

#njpoet

A Chapbook of poems by Charles Bivona, published by Indigent Press

Another Day *Vertigo*

Harvey Pekar never has "just another day"; follow his battles of everyday life in this latest volume of his autobiographical series.

Comics Art

Comics are a uniquely autonomous art form, one that has its own rich traditions that have given rise to a remarkably vibrant contemporary scene. In this richly illustrated book, Paul Gravett traces the history of comics from the late 19th century right through to the huge current interest in manga and graphic novels and the explosion of comics on the Internet.
