**The Power Of
Empowerment What**

At the core of the
concept of
empowerment is the
idea of power. The
possibility of
empowerment
depends on two things.
First, empowerment
requires that power
can change. If power
cannot change, if it is
inherent in positions or
people, then
empowerment is not
possible, nor is
empowerment
conceivable in any
meaningful way. In
other words, if power
can change, then
empowerment is
possible.

**Empowerment: What
Is It?**

Empowerment is not
forcing people to do

what you believe to be best. It is offering guidance and advice and letting the person that you are empowering to analyze their situation, discover self determination, and finally giving them full and total authority over their decisions. To be empowering is difficult, there is no doubt about it.

The Power Of Empowerment

Empowerment is important, people feel more fulfilled which can lead to greater creativity, higher performance, more confidence, mutual trust, higher commitment and fewer surprises: the dead moose in the room! Empowerment is a 2-way process, a team sport. It is constant and dynamic.

Project Leadership: The Power of Empowerment | APM

Proper and effective empowerment is achieved when employees' expectations are met and aligned with the expectations of those they report to and where there is a good relationship and understanding among leaders and their subordinates. Empowerment is about proper delegation and about supporting employees.
