Speak

A Simple Guide to Public Speaking

The ability to speak well in public can provide you with many benefits, including career and social success. Unfortunately, most of us are not as effective as we would like to be. The good news is that small changes make a dramatic difference. Assuming we all speak the same language, and communicate several times a day, why do some people speak with authority while others barely get their point across? In S.P.E.A.K, Steve Alexander, Jr. shares concrete tools that will help you to speak with clarity, conviction, and power. These principles will help you- whether you are shy or have a heavy accent-save time and gain attention. S.P.E.A.K is a concisely written guide that provides you with skills that Steve has taught many other people and organizations. Learn the tools today and start captivating your audience tomorrow!

Persuasive Presentations: a Pocket Guide to Persuasive Presentations and Public Speaking Beyond Presentation Design. Public Speaking Playbook for the Exceptional Presenter

Includes 300+ PPT Templates Independently Published

INCLUDES 300+ PREMIUM DOWNLOADABLE PPT TEMPLATES!!Persuasive Presentations: A Pocket Guide to Persuasive Presentations & Public speaking beyond Presentation Design. Public Speaking Playbook for the Exceptional Presenter. Including 300+ Professional PPT Templates!!!Professional presentations, whether you are a trainer, teacher, business professional or presenter, are too important to mess up. They are seen as a reflection of your level of preparation. As such, they can be life-changing in either a positive way or a negative way. This presentation skills book will enable you not only prepare mentally for your public speaking but also to understand the psychology and neuroscience of your audience, so that you can present in a way that appeals to the nature of the human brain. The same presentation or class can get you a standing ovation or a cold unsympathetic audience depending on the way it's delivered and the context in which it's delivered, so you have to pay attention to the basic psychological factors. Even if you gave exactly the same presentation to the same group of people, in a different context they might interpret your words and body language differently, as they may approach it with a different mind-set, together with a different set of beliefs and expectations. When you approach a presentation, class or meeting in a professional setting, you need to decide exactly what you want from the exchange from the outset, and then, what context you are interacting in.

Demystifying Public Speaking

Seven Pillars of Wisdom *GENERAL PRESS*

Seven Pillars of Wisdom is a memoir of the soldier known as 'Lawrence of Arabia.' Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece. ‘Seven Pillars of Wisdom’ written between 1919 and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war produced more war during the time, in which, along with many other eminent writers, Lawrence was also involved. Seven Pillars of Wisdom provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation.
