Plato's Views on Rhetoric Example | Graduateway

Greek philosopher Plato was one of the

first people to discuss rhetoric. Some details need to be kept in mind when discussing Plato and rhetoric. What Is the Connection between Plato and Rhetoric?

Plato is in a constant fight to see that the way of true philosophy replaces these false arts. But even much more interesting is that Plato goes even further, and condemns the use of rhetoric, the art of persuasion, as a whole. He not only does this adamantly

As far as rhetoric and the soul are concerned (and the comparison with medicine shows that, even for Socrates/Plato, rhetoric, properly understood, may indeed be viewed as a form of, if not healing, at least caring for the soul in the same way medicine is caring for the body), what that means is that we must first know the nature of the soul and whether it is simple or composite (the lower plane of the physis), then understand how it acts and suffers (the intermediate plane of action and ...
