Scary Stories to Tell in the Dark

Scary Tales Collection. Horror Short Stories for Kids, Teens and Adults of All Ages (Vol 1-2-3)

Are you an avid fan of scary stories? Rather than frightening you, the sordid tales of gruesome deaths and ghastly ghosts fascinate and stimulate you-so you are always on a quest for terror-filled tales. Terror-filled stories are read to test one's nerves, and obviously to scare. Moreover, it's the mystery mingled with the horror that really beckons people to pick up a scary story. They can't live without

satisfying their curiosity. After all, the tales with a hidden killer or a ghost's possession are weaved with an underlying depth of mystery. Scary stories can set your heart racing and scare the wits out of you. You read them for your entertainment and because you are fascinated by the terror emphasized in them. But what exactly are they? Horror stories are those tales that captivate readers via either bloodshed or supernatural beings, like ghosts or demons. Paranormal beings terrify us because they have powers that are beyond our comprehension. On the other hand, scary stories also illustrate the dark side of humans and what they are capable of doing if evil rests in their hearts. A person only gets frightened of what they actually fear, but fear is a rather broad term. Everyone is afraid of one thing or the other. The mere mention of ghosts might make you tremble, but your friends might enjoy ghost stories, and they can abide with gruesome stories of ruthless killings and lot of blood. Despite the aftereffects of these stories-nightmares, trouble going to the bathroom alone-people still can't seem to get enough of them. Readers are spurred on to continue reading by nerve-wrecking questions like why, who, how, and what will save the victims. This book contains some interestingly macabre and hair-

raising short stories that will entice you and your terror-loving spirit. Horror and mystery go hand in hand to bring you short stories that will provide you with tales worth remembering. These six short stories are an interesting read, if you're looking for something scary riddled with mystery to read. What are you waiting for? Buy now

The Night Eternal

Harper Collins

"The most credible and frightening of all the vampire books of the past decade." —San Francisco Chronicle

"Bram Stoker meets Stephen King meets Michael Crichton. It just doesn't get much better than this." —Nelson DeMille The stunning New York Times bestselling vampire saga that author Dan Simmons (Drood, The Terror) calls, "an unholy spawn of I Am Legend out of 'Salem's Lot," concludes with The Night Eternal. The magnificent, if monstrously warped brainchild of cinematic horror master Guillermo del Toro (Pan's Labyrinth, Hellboy) and Chuck Hogan—whose novel Prince of Thieves, was praised as, "one of the 10 best books of the year" by Stephen King—The Night Eternal begins where The Strain and The Fall left off: with the last

remnants of humankind enslaved by the vampire masters in a world forever shrouded by nuclear winter. Still, a small band of the living fights on in the shadows, in the final book of the ingenious dark fantasy trilogy that *Newsweek* says is, “good enough to make us break that vow to swear off vampire stories.”

The Fall

Book Two of the Strain Trilogy *Harper Collins*

“A cross between *The Hot Zone* and *’Salem’s Lot*.” —*Entertainment Weekly* “I cannot wait to see where Del Toro and Hogan take us next.” —James Rollins, *New York Times* bestselling author of *Bloodline* The wait is

with a fresh style. The stories explore a variety of horror that have been crafted nicely to fit the contemporary society and even, in one of the stories, inject a science feel to the horror like in the story, 'Becoming'. The stories have been written to suit the general needs of readers of all ages as evidenced in the teen/adult characters in the stories. In addition to the very common horror settings such as abandoned mansions, the woods, basement and attics, the stories introduces other new environments such as the apocalyptic setting in the story titled 'Last Man On Earth'- a testament to its progressiveness. In the story, 'October 30th' a tale of the annual,

horror festival is told in a fresh tone. Most of the stories touch on the inevitable horror - death. 'Ghost House' tells an enthralling and fast paced story and so does 'Miss Fairborn's Auction'. There is a general belief that books give a wider room for imaginations - even wider than the room that watching a movie affords you and truthfully so. These tales, when told in the

dark, will leave you with much to imagine - an arm covered in goose bumps and the back of your neck with all the hackles on their ends. The curtains you see might not be curtains. The mirrors, too, might become home to many faces and the old man by the road might not be what you think he is. Welcome to the home of scary and macabre tales. BUY NOW !
