Adequate Yearly Progress

A Novel *Simon and Schuster*

A debut novel told with humor, intelligence, and heart, a “funny but insightful look at teachers in the workplace...reminiscent of the TV show *The Office* but set in an urban high school” (*The Washington Post*), perfect for fans of Tom Perrotta and Laurie Gelman. Roxanna Elden’s “laugh-out-loud funny satire” (*Forbes*) is a brilliantly entertaining and moving look at our education system. Each new school year brings familiar challenges to Brae Hill Valley, a struggling high school in one of the biggest cities in Texas. But the teachers also face plenty of personal challenges and this year, they may finally spill over into the classroom.

English teacher Lena Wright, a spoken-word poet, can never seem to truly connect with her students. Hernan D. Hernandez is confident in front of his biology classes, but tongue-tied around the woman he most wants to impress. Down the hall, math teacher Maybelline Galang focuses on the numbers as she struggles to parent her daughter, while Coach Ray hustles his troubled football team toward another winning season. And this year, a new superintendent is determined to leave his own mark on the school—even if that means shutting the whole place down.

Choose This Day

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca

Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Take Off Your Hat and Spit Out Your Gum

A Teacher's Memoir *Createspace Independent Pub*

From the moment she stepped into a classroom as a teacher, Melinda Ehrlich was destined to write this book. With her trusty notepad at her side, she documented her experiences - from her students' zany antics to the bureaucratic directives that were issued. Her journals, filled with stories and anecdotes, have shaped this extraordinary memoir,

painting a vivid picture of her life as a New York City English teacher. Ehrlich's positive approach and fiery spirit enabled her to thrive within the largest public school system in America. You will meet the vocational high school girls who couldn't open their notebooks until their hair and nails dried, the wannabe mobster who greeted Ms. Ehrlich with "Hi ya doll!" in the hallways, and the forger who insisted he and his mother shared identical signatures. But it wasn't all sunshine and daisies. She had her share of intense encounters with troubled students that tested the boundaries not only of education but of human perseverance and understanding. All of these and more make up the students she "couldn't erase." A lightning bolt of inspiration, Take Off

Your Hat and Spit Out Your Gum is a must-read for the over three million teachers in the U.S. today. This is the remarkably entertaining story of a teacher who rode the rollercoaster for over 30 years and exited clicking her heels, still believing there's no place like school.

See Me After Class

Lessons from an Imperfect English Teacher

"This is a work of non-fiction chronicling my experience as a secondary public school English teacher, including my

students, colleagues, administrators, and parents of students. My purpose is to write an entertaining memoir which also highlights some of the inadequacies of our educational system. In telling my story, I use a variety of narrative strategies including listing, a how-to guide, dramatic scene, second person, hyperbole, fantasy, flashback, and satire, in addition to more traditional exposition. Major themes include frustration, disillusionment, adolescence, and interpersonal relationships, but generally with a humorous bent."-- Leaf iii.
