My Girlfriend's a Geek, Vol. 1 (light novel) *Yen Press LLC*

This blog is a record of battle as dictated by a man with a fujoshi girlfriend. Okay, that was a lie. I'm not fighting at all. The war is purely one-sided. Each day I am dragged further and further into the world of otaku. I cannot be held responsible for any damages incurred by reading this blog and falling into the same predicament. There is much otaku talk contained within, so please follow your directions carefully, and do not exceed your recommended dosage.

Collected Works on Religious Liberty, Vol. 1

Overviews and History *Wm. B. Eerdmans Publishing*

One of the most respected and influential scholars of religious liberty in our time, Douglas Laycock has argued many crucial religious liberty cases in the U.S. appellate courts and Supreme Court. His noteworthy scholarly and popular writings are being collected in four comprehensive volumes under the title Religious Liberty. This first volume gives the big picture of religious liberty in the United States, fitting a vast range of disparate disputes into a coherent pattern - from public school prayers to private school vouchers to regulation of churches and believers. Laycock's clear overviews provide the broad, historical, helpful context often lacking in today's press.
