and invites others to take the first steps toward a new life in the Dark Side as a Sith Acolyte. Book Two, Masters of the Will, is a blueprint for becoming the master your own will, body, mind, spirit and destiny, and the master of your own group of Sith Acolytes. Book Three, Lords of the Force, reveals the nature and source of the Force, the metaphysical laws of its power, and various methodologies for commanding and conquering with it. There is also a complete reference to the Black Tongue of Borgâl-the language of the Dark Side. The Dark Lords make this knowledge available as a record of their revelations and work since the initial Omega Transmission in Imperial Year One. They do this to establish the Acolyte Path to the Dark Side for others to follow who will lead the Empire into the future. They also do this so that if they are ever killed and the Order is destroyed, there will remain a document from which others may rebuild the Order and revive the Sith current on this planet. Study and guard this book well; the knowledge contained herein is potentially more powerful than the ability to destroy planets for those who have faith in the Dark Side.
