Geographies of empire European empires and colonies, c ...

This work is an impressive synthesis of the development of European empire and its connection with historical geography. This has been done before, but usually in the context of the development of British, French or German imperialism.

Amazon.com: Geographies of Empire: European Empires and ...

Robin A. Butlin's intention in *Geographies of Empire* is to compare the processes, geographical contexts, and outcomes of European imperialism and to examine them across time and space. While the book spans the period from high imperialism to decolonization (1880-1960), there is useful contextual material from earlier times.
