Primal man benefited from a powerful cure-all that continually coursed through his blood vessels. This substance — made in the liver — protected him from an overwhelming list of health challenges that, until recently, were rare causes of death.

Primal Panacea | Thomas E. Levy | download

The definition of “panacea” is literally that of a “cure-all,” and “primal” indicates that it was there from the start and designed by nature to deal with whatever infections or toxins the body encounters. Although our bodies, in contrast to most other animals, have lost the ability to synthesize vitamin C in the liver, it still remains clear that vitamin C is nature’s choice for restoring and maintaining health.
