The Outcast

A Novel Harper Collins

A mesmerizing portrait of 1950s hypocrisy and unexpected love, from a powerful new voice It is 1957, and Lewis Aldridge, straight out of prison, is journeying back to his home in Waterford, a suburban town outside London. He is nineteen years old, and his return will have dramatic consequences not just for his family, but for the whole community. A decade earlier, his father's homecoming has a very different effect. The war is over and Gilbert has been demobilized. He reverts easily to suburban life—cocktails at six-thirty, church on Sundays—but his wife and young son resist the stuffy routine. Lewis and his mother escape to the woods for picnics, just as they did in wartime days. Nobody is surprised that Gilbert's wife counters convention, but they are all shocked when, after one of their jaunts, Lewis comes back without her. Not far away, Kit Carmichael keeps watch. She has always understood more than most, not least from what she is dealt by her own father's hand. Lewis's grief and burgeoning rage are all too plain, and Kit makes a private vow to help. But in her attempts to set them both free, she fails to foresee the painful and horrifying secrets that must first be forced into the open. In this brilliant debut, Sadie Jones tells the story of a boy who refuses to accept the polite lies of a tightly knit community that rejects love in favor of appearances. Written with nail-biting suspense and cinematic pacing, The Outcast is an emotionally powerful evocation of postwar provincial English society and a remarkably uplifting testament to the redemptive powers of love and understanding.

The village was asleep, with all the people behind the walls and through the windows and up the stairs of the little houses blind and deaf in their beds while anything might happen. Lewis headed down the middle of the road and he kept falling and had to remember to get back on his feet. He reached the churchyard and stood in the dark with the church even darker above him. –from The Outcast by Sadie Jones It’s 1957. Nineteen-year-old Lewis Aldridge is returning by train to his home in Waterford where he has just served a two-year prison term for a crime that shocked the sleepy Surrey community. Wearing a new suit, he carries money his father Gilbert sent — to keep him away, he suspects — and a straight razor. No one greets him at the station. Twelve years earlier, seven-year-old Lewis and his spirited mother Elizabeth are on the same train, bringing Gilbert home from war. Waterford is experiencing many such reunions, alcohol lubricating awkward homecomings and community gatherings. The most oppressive of these are the mandatory holiday parties hosted by the town’s leading industrialist Dicky Carmichael, Gilbert’s employer. With the Carmichael estate backing onto the Aldridge property, the attractive and popular Tamsin Carmichael and her precocious kid sister Kit are Lewis’s playmates, along with a gaggle of neighbourhood boys who (like Lewis) are fascinated by Tamsin. The children play thrilling and cruel games, mirroring the adults’ inebriated dysfunction. Though pleased to be reunited with Elizabeth, Gilbert is appalled by the coddling his son has received in his absence. No longer permitted to skip church for picnics by the river, Elizabeth and Lewis are steered back under the ever-judgmental gaze of Waterford society. Lewis continues to flourish, a naturally capable golden child. But iconoclastic Elizabeth, disappointed by Gilbert’s insistence on conformity, seeks refuge in the bottle. Then a sunny riverside picnic ends with Elizabeth dead and ten-year-old Lewis the only witness. A shattered Gilbert is incapable of providing comfort to his young son and the community of Waterford turns away from the traumatized child, now rendered a pariah by tragedy. Lewis is sent to boarding school, summoned home only for holidays. Gilbert remarries five months later to Alice, a compliant beauty who is not up to the task of parenting a damaged child. Years pass and Lewis, now a troubled teenager, is lost in dangerous and self-harming behaviours. When an incident with a local bully causes Lewis to be even further estranged from the community, Gilbert and Alice stand idly by as Lewis is tormented by the tyrannical Dicky. Enraged, Lewis commits a shocking crime against the whole of Waterford and is sent to prison. Two years later, upon his shamed return, the town continues to treat Lewis as an outcast. Only Tamsin’s little sister Kit, now a young woman, sees in him the golden boy he once was. She had become infatuated with Lewis years earlier when he had casually protected her from bullies and broken bicycle chains. But she now faces a much darker and more dangerous sort of bullying at the hands of her father. It is up to Lewis once again to rescue her, redeeming himself through tremendous courage and terrible sacrifice. And perhaps Kit holds the power to rescue him, too. Winner of the Costa First Novel Award and a finalist for the prestigious Orange Prize, Sadie Jones’s The Outcast introduces us to a clear and brave new voice in British fiction. The novel is a clarion call to us all, daring us to stand up to the bullies of our world, in whatever form they may take and — above all else — to love our children.

The Snakes

A Novel HarperCollins

“The Snakes is many things—a parable and an ancient drama where a father’s greed devours his children, a police procedural, an avid take on tabloid venality, and a bitter comedy, superbly observed, where behind a woman’s eyes she is ‘all movement inside herself, like a wasp in a glass.’ I admit that I’m still shaken by parts of this novel. Sadie Jones writes with pitiless aplomb and corrosive intelligence.”—Louise Erdrich A chilling page-turner and impossible to put down, THE SNAKES is Sadie Jones at her best: breathtakingly powerful, brilliantly incisive, and utterly devastating. Jade Daniels is an angry, half-Indian outcast with an abusive father, an absent mother, and an entire town that wants nothing to do with her. She lives in her own world, a world in which protection comes from an unusual source: horror movies...especially the ones where a masked killer seeks revenge on a world that wronged them. And Jade narrates the quirky history of Proofrock as if it is one of those movies. But when blood actually starts to spill into the waters of Indian Lake, she pulls us into her dizzying, encyclopedic mind of blood and masked murderers, and predicts exactly how the plot will unfold. Yet, even as Jade drags us into her dark fever dream, a surprising and intimate portrait emerges...a portrait of the scared and traumatized little girl beneath the Jason Voorhees mask: angry, yes, but also a girl who easily cries, fiercely loves, and desperately wants a home. A girl whose feelings are too big for her body. My Heart Is a Chainsaw is her story, her homage to horror and revenge and triumph.

Good Behaviour New York Review of Books

This Booker Prize-short listed dark satire of 20th-century Irish society is back in print. Is it possible to kill with kindness? As Molly Keane’s Booker Prize-short-listed dark comedy suggests, not only can kindness be deadly, it just may be the best form of revenge. The novel opens as Aroon St. Charles prepares to serve her invalid mother a splendid luncheon—the silver gleams, the linens glow—of rabbit mousse, a dish her mother despises. In fact, a single whiff of the stuff is enough to knock the old lady dead. “All my life so far I have done everything for the best reasons and the most unselfish motives,” says Aroon soon after. In the pages that follow she will make her case, reminiscing about her youth among the hunting-and-fishing classes of Ireland, a faded aristocracy dedicated to distraction even as their fortunes dwindle. Keane’s brilliant sleight of hand is to allow her blinkered heroine to narrate her own development from neglected child, to ungainly debutante, to bitter spinster: Aroon understands nothing, yet she reveals all.

A Novel Anchor

SHORTLISTED for the 2011 Man Booker Prize for Fiction An intense psychological drama that echoes sophisticated entertainments like Gorky Park and The Talented Mr. Ripley. Nick Platt is a British lawyer working in Moscow in the early 2000s—a place where the cascade of oil money, the tightening grip of the government, the jostling of the oligarchs, and the loosening of Soviet social mores have led to a culture where corruption, decadence, violence, and betrayal define everyday life. Nick doesn’t ask too many questions about the shady deals he works on—he’s too busy enjoying the exotic, surreally sinful nightlife Moscow has to offer. One day in the subway, he rescues two willowy sisters, Masha and Katya, from a would-be purse snatcher. Soon Nick, the seductive Masha, and long-limbed Katya are cruising the seamy glamour spots of the city. Nick begins to feel something for Masha that he is pleased to think is love. Then the sisters ask Nick to help their aged aunt, Tatiana, find a new apartment. Of course, nothing is as it seems—including this extraordinary debut novel. The twists in the story take it far beyond its noirish frame—the sordid and vivid portrayal of Moscow serves as a backdrop for a book that examines the irresistible allure of sin, featuring characters whose hearts are as cold as the Russian winter.

This Is Happiness Bloomsbury Publishing USA

NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST and REAL SIMPLE A profound and enchanting new novel from Booker Prize-longlisted author Niall Williams about the loves of our lives and the joys of reminiscing. You don't see rain stop, but you sense it. You sense something has changed in the frequency you've been living and you hear the quietness you thought was silence get quieter still, and you raise your head so your eyes can make sense of what your ears have already told you, which at first is only: something has changed. The rain is stopping. Nobody in the small, forgotten village of Faha remembers when it started; rain on the western seaboard was a condition of living. Now--just as Father Coffey proclaims the coming of electricity--it is stopping. Seventeen-year-old Noel Crowe is standing outside his grandparents' house shortly after the rain has stopped when he encounters Christy for the first time. Though he can't explain it, Noel knows right then: something has changed. This is the story of all that was to follow: Christy's long-lost love and why he had come to Faha, Noel's own experiences falling in and out of love, and the endlessly postponed arrival of electricity--a development that, once complete, would leave behind a world that had not changed for centuries. Niall Williams' latest novel is an intricately observed portrait of a community, its idiosyncrasies and its traditions, its paradoxes and its inanities, its failures and its triumphs. Luminous and otherworldly, and yet anchored with deep-running roots into the earthy and the everyday, This Is Happiness is about stories as the very stuff of life: the ways they make the texture and matter of our world, and the ways they write and rewrite us.

I Am One of You Forever

A Novel *LSU Press*

Wonderfully funny and also deeply touching, I Am One of You Forever is the story of a young boy's coming of age. Set in the hills and hollows of western North Carolina in the years around World War II, it tells of ten-year-old Jess and his family -- father, mother, grandmother, foster brother, and an odd assortment of other relatives -- who usher Jess into the adult world, with all its attendant joys and sorrows, knowledge and mystery. Jess's father is feisty, restless, and fun-loving. His mother is straitlaced and serious but accepts with grace and good humor the antics of the men of the family, a trait she learned from her own mother. Johnson Gibbs is the orphaned teenager who comes to live with them on their mountain farm. Life on the laurel-covered mountain is isolated and at times difficult, but for Jess it is made rich and remarkable through his relationship with his father and, especially, Johnson Gibbs. Visiting the farm from time to time is a gallery of eccentric relatives who are surely among the most memorable creations in recent fiction. Uncle Luden is a womanizer who left the mountains years ago for a job in California that "paid actual cash money." Uncle Gurton has a spooky way of appearing and disappearing without ever seeming to enter or exit, but it is his flowing beard, which he has apparently never trimmed and which he keeps tucked inside his overalls, that is of most fascination to Jess. Uncle Zeno is a storyteller. With the words "That puts me in mind of..." everyone around knows that he is about to launch into another of his endless tales. Uncle Runkin, who always brings his handmade coffin to sleep in whenever he visits, spends his time carving intricate designs into the coffin and trying to find just the right epitaph for his tombstone. Aunt Samantha Barefoot stops by for a brief spell, too. A country singer and cousin to Jess's grandmother, she is a woman of uncensored speech (Jess learns a lot from her) and honest emotions. Chappell tells the story of all of these characters in a series of chapters that range from fantasy and near farce to pathos. As notable for its lyrical descriptions of the rural settings as for its finely honed vernacular dialogue, I Am One of You Forever shows us a world full of wit and wisdom and the sadness at the heart of things. As one would expect from a poet like Fred Chappell, every line offers its own pleasures and satisfactions.

The Clothes On Their Backs

A Novel *Simon and Schuster*

Orange Prize winner and shortlisted for the Man Booker Prize 2008, Linda Grant has created an enchanting portrait of a woman who, having endured unbearable loss, finds solace in the family secrets her estranged uncle reveals. In vivid and supple prose, Grant subtly constructs a powerful story of family, love, and the hold the past has on the present. Vivien Kovacs, a sensitive, bookish girl grows up sealed off from the world by her timid Hungarian refugee parents, who conceal the details of their history and shy away from any encounter with the outside world. She learns how to navigate British society from an eccentric cast of neighbors -- including a fading ballerina, a cartoonist, and a sad woman who wanders the city and teaches Vivien to be beautiful. She loses herself in books and reinvents herself according to her favorite characters, but it is through clothes that she ultimately defines herself. Against her father's wishes, she forges a relationship with her uncle, a notorious criminal and slum landlord, who, in his old age, wants to share his life story. As he exposes the truth about her family's past Vivien learns how to be comfortable in her own skin and how to be alive in the world. Grant is a spectacularly humanizing writer whose morally complex characters explore the line between selfishness and self-preservation.
