Welcome to the Monkey House: The Special Edition

Stories *Dial Press*

Since its original publication in 1968, *Welcome to the Monkey House* has been one of Kurt Vonnegut's most beloved works. This special edition celebrates a

true master of the short-story form by including multiple variant drafts of what would eventually be the title story. In a fascinating accompanying essay, “Building the Monkey House: At Kurt Vonnegut's Writing Table,” noted Vonnegut scholar Gregory D. Sumner walks readers through Vonnegut's process as the author struggles—false start after false start—to hit upon what would be one of his greatest stories. The result is the rare chance to watch a great writer hone his craft in real time. Includes the following stories: “Where I Live” “Harrison Bergeron” “Who Am I This Time?” “Welcome to the Monkey House” “Long Walk to Forever” “The Foster Portfolio” “Miss Temptation” “All the King's Horses” “Tom Edison's Shaggy Dog” “New Dictionary” “Next

Door" "More Stately Mansions" "The Hyannis Port Story" "D.P." "Report on the Barnhouse Effect" "The Euphio Question" "Go Back to Your Precious Wife and Son" "Deer in the Works" "The Lie" "Unready to Wear" "The Kid Nobody Could Handle" "The Manned Missiles" "Epicac" "Adam" "Tomorrow and Tomorrow and Tomorrow"

The Sirens of Titan *Doubleday*

America's wealthiest man succumbs to the irresistible charms of a lunar siren

Slapstick or Lonesome No More!

A Novel *Dial Press Trade Paperback*

"Some of the best and most moving Vonnegut."—San Francisco Chronicle
Slapstick presents an apocalyptic vision

as seen through the eyes of the current King of Manhattan (and last President of the United States), a wickedly irreverent look at the all-too-possible results of today's follies. But even the end of life-as-we-know-it is transformed by Kurt Vonnegut's pen into hilarious farce—a final slapstick that may be the Almighty's joke on us all. "Both funny and sad . . . just about perfect."—Los Angeles Times "Imaginative and hilarious . . . a brilliant vision of our wrecked, wacked-out future."—Hartford Courant

Kurt Vonnegut

The Complete Novel Set

The ultimate Vonnegut: all 14 novels plus a selection of the best of his stories

in a definitive collector's boxed set. The novels of Kurt Vonnegut defined a generation a remain among the most enduringly popular and influential works of the last century. Now, for the first time, they are available in a single collector's edition, featuring authoritative annotated texts. This boxed set includes four Library of America volumes: Novels & Stories 1950-1962 *Player Piano / The Sirens of Titan / Mother Night* Novels & Stories 1963-1973 *Cat's Cradle / God Bless You, Mr. Rosewater / Slaughterhouse-Five / Breakfast of Champions* Novels 1976-1985 *Slapstick / Jailbird / Deadeye Dick / Galapagos* Novels 1987-1997 *Bluebeard / Hocus Pocus / Timequake* LIBRARY OF AMERICA is an independent nonprofit cultural organization founded

in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The Sirens of Titan

Mother Night

A Novel *Dial Press*

"Vonnegut is George Orwell, Dr. Caligari and Flash Gordon compounded into one writer . . . a zany but moral mad

scientist.”—Time Mother Night is a daring challenge to our moral sense. American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. “A great artist.”—Cincinnati Enquirer “A shaking up in the kaleidoscope of laughter . . . Reading Vonnegut is addictive!”—Commonweal

The Sirens of Mars

Searching for Life on Another World *Crown*

“Sarah Stewart Johnson interweaves her own coming-of-age story as a planetary

scientist with a vivid history of the exploration of Mars in this celebration of human curiosity, passion, and perseverance.”—Alan Lightman, author of Einstein’s Dreams WINNER OF THE PHI BETA KAPPA AWARD FOR SCIENCE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Times (UK) • Library Journal “Lovely . . . Johnson’s prose swirls with lyrical wonder, as varied and multihued as the apricot deserts, butterscotch skies and blue sunsets of Mars.”—Anthony Doerr, The New York Times Book Review Mars was once similar to Earth, but today there are no rivers, no lakes, no oceans. Coated in red dust, the terrain is bewilderingly empty. And yet multiple spacecraft are circling Mars, sweeping over Terra Sabaea, Syrtis Major, the

dunes of Elysium, and Mare Sirenum—on the brink, perhaps, of a staggering find, one that would inspire humankind as much as any discovery in the history of modern science. In this beautifully observed, deeply personal book, Georgetown scientist Sarah Stewart Johnson tells the story of how she and other researchers have scoured Mars for signs of life, transforming the planet from a distant point of light into a world of its own. Johnson's fascination with Mars began as a child in Kentucky, turning over rocks with her father and looking at planets in the night sky. She now conducts fieldwork in some of Earth's most hostile environments, such as the Dry Valleys of Antarctica and the salt flats of Western Australia, developing methods for detecting life on

other worlds. Here, with poetic precision, she interlaces her own personal journey—as a female scientist and a mother—with tales of other seekers, from Percival Lowell, who was convinced that a utopian society existed on Mars, to Audouin Dollfus, who tried to carry out astronomical observations from a stratospheric balloon. In the process, she shows how the story of Mars is also a story about Earth: This other world has been our mirror, our foil, a telltale reflection of our own anxieties and yearnings. Empathetic and evocative, *The Sirens of Mars* offers an unlikely natural history of a place where no human has ever set foot, while providing a vivid portrait of our quest to defy our isolation in the cosmos.

Kurt Vonnegut and the American Novel

A Postmodern Iconography *Bloomsbury Publishing*

The novels of Kurt Vonnegut depict a profoundly absurd and distinctly postmodern world. But in this critical study, Robert Tally argues that Vonnegut himself is actually a modernist, who is less interested in indulging in the free play of signifiers than in attempting to construct a model that could encompass the American experience at the end of the twentieth century. As a modernist wrestling with a postmodern condition, Vonnegut makes use of diverse and sometimes eccentric narrative techniques (such as metafiction, collage, and temporal slippages) to project a

comprehensive vision of life in the United States. Vonnegut's novels thus become experiments in making sense of the radical transformations of self and society during that curious, unstable period called, perhaps ironically, the 'American Century.' An untimely figure, Vonnegut develops a postmodern iconography of American civilization while simultaneously acknowledging the impossibility of a truly comprehensive representation.

CLASSICS The Sirens of Titan

Just Like Someone Without Mental Illness Only More So

A Memoir *Bantam Dell Publishing Group*
More than thirty years after the

publication of his acclaimed memoir *The Eden Express*, Mark Vonnegut continues his story in this searingly funny, iconoclastic account of coping with mental illness, finding his calling, and learning that willpower isn't nearly enough. Here is Mark's life childhood as the son of a struggling writer, as well as the world after Mark was released from a mental hospital. At the late age of twenty-eight and after nineteen rejections, he is finally accepted to Harvard Medical School, where he gains purpose, a life, and some control over his condition. There are the manic episodes, during which he felt burdened with saving the world, juxtaposed against the real-world responsibilities of running a pediatric practice. Ultimately a tribute to the small, daily, and positive

parts of a life interrupted by bipolar disorder, *Just Like Someone Without Mental Illness Only More So* is a wise, unsentimental, and inspiring book that will resonate with generations of readers.

Love, Kurt

The Vonnegut Love Letters, 1941-1945 *Random House*

A never-before-seen collection of deeply personal love letters from Kurt Vonnegut to his first wife, Jane, compiled and edited by their daughter "A glimpse into the mind of a writer finding his voice."—*The Washington Post* "If ever I do write anything of length—good or bad—it will be written with you in mind." Kurt Vonnegut's eldest daughter, Edith,

was cleaning out her mother's attic when she stumbled upon a dusty, aged box. Inside, she discovered an unexpected treasure: more than two hundred love letters written by Kurt to Jane, spanning the early years of their relationship. The letters begin in 1941, after the former schoolmates reunited at age nineteen, sparked a passionate summer romance, and promised to keep in touch when they headed off to their respective colleges. And they did, through Jane's conscientious studying and Kurt's struggle to pass chemistry. The letters continue after Kurt dropped out and enlisted in the army in 1943, while Jane in turn graduated and worked for the Office of Strategic Services in Washington, D.C. They also detail Kurt's deployment to Europe in 1944, where he

was taken prisoner of war and declared missing in action, and his eventual safe return home and the couple's marriage in 1945. Full of the humor and wit that we have come to associate with Kurt Vonnegut, the letters also reveal little-known private corners of his mind. Passionate and tender, they form an illuminating portrait of a young soldier's life in World War II as he attempts to come to grips with love and mortality. And they bring to light the origins of Vonnegut the writer, when Jane was the only person who believed in and supported him supported him, the young couple having no idea how celebrated he would become. A beautiful full-color collection of handwritten letters, notes, sketches, and comics, interspersed with Edith's insights and family memories,

Love, Kurt is an intimate record of a young man growing into himself, a fascinating account of a writer finding his voice, and a moving testament to the life-altering experience of falling in love.

The Vonnegut Effect *Univ of South Carolina Press*

Kurt Vonnegut is one of the few American writers since Mark Twain to have won and sustained a great popular acceptance while boldly introducing new themes and forms on the literary cutting edge. This is the "Vonnegut effect" that Jerome Klinkowitz finds unique among postmodernist authors. In this innovative study of the author's fiction, Klinkowitz examines the forces in American life that have made Vonnegut's works possible. Vonnegut shared with readers a world

that includes the expansive timeline from the Great Depression, during which his family lost their economic support, through the countercultural revolt of the 1960s, during which his fiction first gained prominence. Vonnegut also explored the growth in recent decades of America's sway in art, which his fiction celebrates, and geopolitics, which his novels question. A pioneer in Vonnegut studies, Jerome Klinkowitz offers *The Vonnegut Effect* as a thorough treatment of the author's fiction—a canon covering more than a half century and comprising twenty books. Considering both Vonnegut's methods and the cultural needs they have served, Klinkowitz explains how those works came to be written and concludes with an assessment of the author's place in

American fiction.

The Sirens of Titan

The Sirens of Titan (1959), Vonnegut's second novel, was on the Hugo final ballot along with Robert Heinlein's Starship Troopers and lost in what Harlan Ellison called a monumental injustice. Malachi Constant is a feckless but ultimately good-hearted millionaire who, in this incompressible interplanetary *Candide* (lacking perhaps Voltaire's utter bitterness), searches the solar system for the ultimate meaning of existence. Constant is aided by another tycoon, Winston Rumfoord, who, with the help of aliens, has discovered the fundamental meaning of life. With the help of Salo--an alien robot overseeing the alien race, the Tralfamordians (who also feature in

Slaughterhouse-Five)--Constant attempts to find some cosmic sense and order in the face of universal malevolence. Constant and Rumfoord deal with the metaphysics of "chronosynclastic infundibula" and the interference of the Tralfamadorians. The novel is pervaded by a goofy, episodic charm which barely shields the readers (or the characters) from the fact of what seems to be a large and indifferent universe. All of Vonnegut's themes and obsessions, further developed or recycled in later work, are evident here in a novel slightly more hopeful than most of his canon. It is suggested that ultimately Constant learns only that it is impossible to learn, that fate (and the Tralfamadorians) are impenetrable. On the basis of this novel, Vonnegut was

wholly claimed by the science fiction community (as the Hugo nomination demonstrated) but he did not reciprocate, feeling from the outset that to be identified as a science fiction writer would limit his audience and trivialize his themes. His recurring character, the hack science fiction writer Kilgore Trout (prominent in *Slaughterhouse-Five*) was for Vonnegut a worst case version of the writer he did not wish to become.

Cat's Cradle

A Novel *Dial Press*

"A free-wheeling vehicle . . . an unforgettable ride!"—The New York Times *Cat's Cradle* is Kurt Vonnegut's satirical commentary on modern man and his madness. An apocalyptic tale of

this planet's ultimate fate, it features a midget as the protagonist, a complete, original theology created by a calypso singer, and a vision of the future that is at once blackly fatalistic and hilariously funny. A book that left an indelible mark on an entire generation of readers, *Cat's Cradle* is one of the twentieth century's most important works—and Vonnegut at his very best. "[Vonnegut is] an unimitative and inimitable social satirist."—Harper's Magazine "Our finest black-humorist . . . We laugh in self-defense."—Atlantic Monthly

Player Piano

A Novel *Dial Press*

"A funny, savage appraisal of a totally automated American society of the

future.”—San Francisco Chronicle Kurt Vonnegut’s first novel spins the chilling tale of engineer Paul Proteus, who must find a way to live in a world dominated by a supercomputer and run completely by machines. Paul’s rebellion is vintage Vonnegut—wildly funny, deadly serious, and terrifyingly close to reality. Praise for *Player Piano* “An exuberant, crackling style . . . Vonnegut is a black humorist, fantasist and satirist, a man disposed to deep and comic reflection on the human dilemma.”—Life “His black logic . . . gives us something to laugh about and much to fear.”—The New York Times Book Review

Kurt Vonnegut *Routledge*

Drawing on his experiences as a young man in the Great Depression and the

Second World War, Kurt Vonnegut created a new style of fiction responsive to the post-war world and unique in its appeal to both popular audiences and avant-garde critics. His work was profoundly innovative and yet perfectly lucid. In this comprehensive introductory study, originally published in 1982, Jerome Klinkowitz traces Vonnegut’s influences within the American middle class, his early efforts as a short-story writer for magazines in the 1960s and his startling and unprecedented success as a bestselling experimental novelist with *Slaughterhouse-Five*. His self-consciously moral posture led to readers throughout the world accepting him as their spokesman for humane values, a role which Klinkowitz considers within the context of his work.

The Sirens of Titan. An Original Novel. (5. Print.)**Bluebeard****A Novel** *Dial Press*

"Ranks with Vonnegut's best and goes one step beyond . . . joyous, soaring fiction."—The Atlanta Journal and Constitution Broad humor and bitter irony collide in this fictional autobiography of Rabo Karabekian, who, at age seventy-one, wants to be left alone on his Long Island estate with the secret he has locked inside his potato barn. But then a voluptuous young widow badgers Rabo into telling his life story—and Vonnegut in turn tells us the plain, heart-hammering truth about man's careless fancy to create or

destroy what he loves. Praise for Bluebeard "Vonnegut is at his edifying best."—The Philadelphia Inquirer "The quicksilver mind of Vonnegut is at it again. . . . He displays all his talents—satire, irony, ridicule, slapstick, and even a shaggy dog story of epic proportions."—The Cincinnati Post "[Kurt Vonnegut is] a voice you can trust to keep poking holes in the social fabric."—San Francisco Chronicle "It has the qualities of classic Bosch and Slaughterhouse Vonnegut. . . . Bluebeard is uncommonly feisty."—USA Today "Is Bluebeard good? Yes! . . . This is vintage Vonnegut—good wine from his best grapes."—The Detroit News "A joyride . . . Vonnegut is more fascinated and puzzled than angered by the human stupidities and contradictions he

discerns so keenly. So hop in his rumble seat. As you whiz along, what you observe may provide some new perspectives.”—Kansas City Star

Slaughterhouse-Five

The Sirens of Titan ; Player Piano ; Cat's Cradle ; Breakfast of Champions ; Mother Night *Xs Books*

A collection of stories by Kurt Vonnegut.

Palm Sunday

An Autobiographical Collage *Dial Press*

“[Kurt Vonnegut] is either the funniest serious writer around or the most serious funny writer.”—Los Angeles Times Book Review In this self-portrait by an

American genius, Kurt Vonnegut writes with beguiling wit and poignant wisdom about his favorite comedians, country music, a dead friend, a dead marriage, and various cockamamie aspects of his all-too-human journey through life. This is a work that resonates with Vonnegut’s singular voice: the magic sound of a born storyteller mesmerizing us with truth. “Vonnegut is at the top of his form, and it is wonderful.”—Newsday

Kurt Vonnegut: Novels & Stories 1950-1962 (LOA #226)

Player Piano / The Sirens of Titan / Mother Night / stories *Library of America*

Before winning international fame with Cat’s Cradle and Slaughterhouse-Five,

Kurt Vonnegut was a master of the drugstore paperback and the popular short story. This authoritative collection of his brilliant early work opens with *Player Piano* (1952), a Metropolis-like parable of breakneck technological innovation and its effect on those it robs of their livelihoods. *The Sirens of Titan* (1959), the interplanetary adventures of the world's wealthiest and most despised man, is both a pulp-fiction space opera and a satire on the vanity of human striving. The confessions of a German-American double agent well placed among the Nazi elite, *Mother Night* (1962) is a cautionary tale with a famous moral: "We are what we pretend to be, so we must be careful about what we pretend to be." Here too are six of Vonnegut's best short stories, gems that

display his matchless talent for hilarious invention and caustic social criticism. A companion volume, *Kurt Vonnegut: Novels & Stories 1963-1973*, collects *Cat's Cradle*; *God Bless You, Mr. Rosewater*; *Slaughterhouse-Five*; *Breakfast of Champions*; and three short stories, including "Welcome to the Monkey House." LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on

premium acid-free paper that will last for centuries.

Happy Birthday, Wanda June

A Play *Dial Press Trade Paperback*

"Richly and often pertinently funny [with] a sure instinct for the carefully considered irrelevance . . . a great deal of incidental hilarity [and] inspired idiocy."—The New York Times Happy Birthday Wanda June was Kurt Vonnegut's first play, which premiered in New York in 1970 and was then adapted into a film in 1971. It is a darkly humorous and searing examination of the excesses of capitalism, patriotism, toxic masculinity, and American culture in the post-Vietnam War era. Featuring behind-the-scenes photographs from the

original stage production, this play captures Vonnegut's brilliantly distinct perspective unlike we have ever seen it before. "A great artist."—The Cincinnati Enquirer

Hall of Mirrors (Short Story)

Delacorte Press

Look at the Birdie is a collection of fourteen previously unpublished short stories from one of the most original writers in all of American fiction. In this series of perfectly rendered vignettes, written just as he was starting to find his comic voice, Kurt Vonnegut paints a warm, wise, and often funny portrait of life in post-World War II America—a world where squabbling couples, high school geniuses, misfit office workers, and small-town lotharios struggle to

adapt to changing technology, moral ambiguity, and unprecedented affluence. In this disquieting tale, the investigation into a string of mysterious disappearances turns surreal for two detectives, when they pay a visit to the home of a celebrated hypnotist. But who will turn the tables on whom when the final spell is cast? Hall of Mirrors and the thirteen other never-before-published pieces that comprise *Look at the Birdie* serve as an unexpected gift for devoted readers who thought that Kurt Vonnegut's unique voice had been stilled forever—and provide a terrific introduction to his short fiction for anyone who has yet to experience his genius.

The Banjo Clock *Univ of California*

Press

For Karen Garthe, poetry is a Molotov cocktail. A master of radical invention, Garthe combines brio of conception with linguistic virtuosity, bringing language to new life from the inside at breakneck speed. *The Banjo Clock*, her second collection, cultivates a luxuriant sensibility even as it interrupts poetic continuity with cuts, ironies, sharp wit, and wild recklessness. In poems that consider poetry itself, Garthe writes about preparing the medium, the ink, "the motion of new utility." She then turns to America's psychic maladies and the need to rehabilitate our democracy, now floundering in the glare of TV's blue depressive light.

God Bless You, Mr. Rosewater

A Novel *Dial Press Trade Paperback*

"[Vonnegut] at his wildest best."—The New York Times Book Review Eliot Rosewater—drunk, volunteer fireman, and President of the fabulously rich Rosewater Foundation—is about to attempt a noble experiment with human nature . . . with a little help from writer Kilgore Trout. God Bless You, Mr. Rosewater is Kurt Vonnegut's funniest satire, an etched-in-acid portrayal of the greed, hypocrisy, and follies of the flesh we are all heir to. "A brilliantly funny satire on almost everything."—Conrad Aiken "[Vonnegut was] our finest black humorist. . . . We laugh in self-defense."—The Atlantic Monthly

Galapagos**A Novel** *Dial Press*

"A madcap genealogical adventure . . . Vonnegut is a postmodern Mark Twain."—The New York Times Book Review Galápagos takes the reader back one million years, to A.D. 1986. A simple vacation cruise suddenly becomes an evolutionary journey. Thanks to an apocalypse, a small group of survivors stranded on the Galápagos Islands are about to become the progenitors of a brave, new, and totally different human race. In this inimitable novel, America's master satirist looks at our world and shows us all that is sadly, madly awry—and all that is worth saving. Praise for Galápagos "The best Vonnegut novel yet!"—John Irving "Beautiful . . . provocative, arresting reading."—USA Today "A satire in the classic tradition . .

. a dark vision, a heartfelt warning.”—The Detroit Free Press “Interesting, engaging, sad and yet very funny . . . Vonnegut is still in top form. If he has no prescription for alleviating the pain of the human condition, at least he is a first-rate diagnostician.”—Susan Isaacs, Newsday “Dark . . . original and funny.”—People “A triumph of style, originality and warped yet consistent logic . . . a condensation, an evolution of Vonnegut’s entire career, including all the issues and questions he has pursued relentlessly for four decades.”—The Philadelphia Inquirer “Wild details, wry humor, outrageous characters . . . Galápagos is a comic lament, a sadly ironic vision.”—St. Louis Post-Dispatch “A work of high comedy, sadness and imagination.”—The Denver Post “Wacky

wit and irreverent imagination . . . and the full range of technical innovations have made [Vonnegut] America’s preeminent experimental novelist.”—The Minneapolis Star and Tribune

Armageddon in Retrospect *Penguin*

The New York Times bestseller from the author of *Slaughterhouse-Five*—a “gripping” posthumous collection of Kurt Vonnegut’s previously unpublished work on the subject of war and peace. A fitting tribute to a literary legend and a profoundly humane humorist, *Armageddon in Retrospect* is a collection of twelve previously unpublished writings. Imbued with Vonnegut’s trademark rueful humor and outraged moral sense, the pieces range from a letter written by Vonnegut to his family

in 1945, informing them that he'd been taken prisoner by the Germans, to his last speech, delivered after his death by his son Mark, who provides a warmly personal introduction to the collection. Taken together, these pieces provide fresh insight into Vonnegut's enduring literary genius and reinforce his ongoing moral relevance in today's world. Includes an Introduction by Mark Vonnegut

The Nice Little People (Stories)

Delacorte Press

Look at the Birdie is a collection of fourteen previously unpublished short stories from one of the most original writers in all of American fiction. In this series of perfectly rendered vignettes, written just as he was starting to find his

comic voice, Kurt Vonnegut paints a warm, wise, and often funny portrait of life in post-World War II America—a world where squabbling couples, high school geniuses, misfit office workers, and small-town lotharios struggle to adapt to changing technology, moral ambiguity, and unprecedented affluence. A linoleum salesman's plans for a quiet anniversary celebration with his wife get put on hold when he makes an unusual discovery: that knife he picked up on the way home isn't quite what it appears to be—and neither is his marriage. The Nice Little People and the thirteen other never-before-published pieces that comprise Look at the Birdie serve as an unexpected gift for devoted readers who thought that Kurt Vonnegut's unique voice had been stilled forever—and

provide a terrific introduction to his short fiction for anyone who has yet to experience his genius.

While Mortals Sleep

Unpublished Short Fiction *Delacorte Press*

NATIONAL BESTSELLER • Foreword by Dave Eggers These previously unpublished, beautifully rendered works of fiction are a testament to Kurt Vonnegut's unique blend of observation and imagination. Here are stories of men and machines, art and artifice, and how ideals of fortune, fame, and love take curious twists in ordinary lives. An ambitious builder of roads fritters away his free time with miniature trains—until the women in his life crash his fantasy

land. Trapped in a stenography pool, a young dreamer receives a call from a robber on the run, who presents her with a strange proposition. A crusty newspaperman is forced onto a committee to judge Christmas displays—a job that leads him to a suspiciously ostentatious ex-con and then a miracle. Featuring a Foreword by Dave Eggers, *While Mortals Sleep* is a poignant reflection of our world as it is and as it could be. Includes the following stories: "Jenny" "The Epizootic" "Hundred-Dollar Kisses" "Guardian of the Person" "With His Hand on the Throttle" "Girl Pool" "Ruth" "While Mortals Sleep" "Out, Brief Candle" "Tango" "Bomar" "The Man Without No Kiddleys" "Mr. Z" "\$10,000 a Year, Easy" "Money Talks" "The Humbugs" Praise for

While Mortals Sleep “Immensely readable and thoroughly entertaining.”—The Washington Post “Taut, concise . . . The stories set themselves up with neat swiftness, proceed at a clip, and shut down with equal speed, [showing Vonnegut] honing his skills in structure and satire.”—Los Angeles Times “A lovely reminder of the mischievous moral voice we lost when we lost Kurt Vonnegut.”—San Francisco Chronicle “These stories were all good when they were written decades ago, but many strike me as great now. Never has the voice of Kurt Vonnegut, humanist and humorist, been more relevant.”—The Seattle Times “There’s something distinctly timeless about Vonnegut’s vision.”—Minneapolis Star-Tribune

Ghostmaker *Black Library*

On the jungle world of Monthax, Colonel-Commissar Ibram Gaunt and his Tanith First and Only await the order to advance into the sweltering wilderness and drive the alien eldar from the Imperial planet. As battle approaches, Gaunt walks the lines, raising his men's spirits and remembering their greatest battles and heroic acts - and the tragedies that have dogged Gaunt's Ghosts from the day of their founding on lost Tanith; The day that Gaunt became known as the Ghostmaker.

The Long Tomorrow

In the aftermath of a nuclear war, Americans have come to blame technology for the disaster. The population is scattered into small towns.

Cities are forbidden by law, as is scientific research.

Die Sirenen des Titan (The sirens of Titan, dt.) Roman

Kurt Vonnegut

Letters *Delacorte Press*

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Newsweek/The Daily Beast

- The Huffington Post • Kansas City Star
- Time Out New York • Kirkus Reviews

This extraordinary collection of personal correspondence has all the hallmarks of Kurt Vonnegut's fiction. Written over a sixty-year period, these letters, the vast majority of them never before published, are funny, moving, and full of the same uncanny wisdom that has endeared his

work to readers worldwide. Included in this comprehensive volume: the letter a twenty-two-year-old Vonnegut wrote home immediately upon being freed from a German POW camp, recounting the ghastly firebombing of Dresden that would be the subject of his masterpiece *Slaughterhouse-Five*; wry dispatches from Vonnegut's years as a struggling writer slowly finding an audience and then dealing with sudden international fame in middle age; righteously angry letters of protest to local school boards that tried to ban his work; intimate remembrances penned to high school classmates, fellow veterans, friends, and family; and letters of commiseration and encouragement to such contemporaries as Gail Godwin, Günter Grass, and Bernard Malamud. Vonnegut's

unmediated observations on science, art, and commerce prove to be just as inventive as any found in his novels—from a crackpot scheme for manufacturing “atomic” bow ties to a tongue-in-cheek proposal that publishers be allowed to trade authors like baseball players. (“Knopf, for example, might give John Updike’s contract to Simon and Schuster, and receive Joan Didion’s contract in return.”) Taken together, these letters add considerable depth to our understanding of this one-of-a-kind literary icon, in both his public and private lives. Each letter brims with the mordant humor and openhearted humanism upon which he built his legend. And virtually every page contains a quotable nugget that will make its way into the permanent

Vonnegut lexicon. • On a job he had as a young man: “Hell is running an elevator throughout eternity in a building with only six floors.” • To a relative who calls him a “great literary figure”: “I am an American fad—of a slightly higher order than the hula hoop.” • To his daughter Nanny: “Most letters from a parent contain a parent’s own lost dreams disguised as good advice.” • To Norman Mailer: “I am cuter than you are.” Sometimes biting and ironical, sometimes achingly sweet, and always alive with the unique point of view that made him the true cultural heir to Mark Twain, these letters comprise the autobiography Kurt Vonnegut never wrote. Praise for Kurt Vonnegut: Letters “Splendidly assembled . . . familiar, funny, cranky . . . chronicling

[Vonnegut's] life in real time."—Kurt Andersen, *The New York Times Book Review* "[This collection is] by turns hilarious, heartbreaking and mundane. . . . Vonnegut himself is a near-perfect example of the same flawed, wonderful humanity that he loved and despaired over his entire life."—NPR "Congenial, whimsical and often insightful missives. . . . one of [Vonnegut's] very best."—*Newsday* "These letters display all the hallmarks of Vonnegut's fiction—smart, hilarious and heartbreaking."—*The New York Times Book Review*

The Sirens of Titan

Bone Silence *Hachette UK*

'A swashbuckling thriller - Pirates of the

Caribbean meets *Firefly* - that nevertheless combines the author's trademark hard SF with effective, coming-of-age characterisation' *GUARDIAN* 'A blindingly clever imagining of our solar system in the far flung future' *SUN* Return to the *Revenger* universe, for another thrilling tale set among the stars . . . Quoins are accepted currency throughout the thousands of worlds of the *Congregation*. Ancient, and of unknown origin and purpose, people have traded with them, fought for them, and stolen quoin hordes from booby-trapped caches at risk to life and limb throughout the *Thirteen Occupations*. Only now it's becoming clear they have another purpose . . . as do the bankers who've been collecting them. The *Occupations* themselves are

another puzzle. The rise and fall of civilisation may have been unevenly spaced across history, but there is also a pattern. Could something be sparking the Occupations - or ending them? And if so, what could it be, lurking far beyond the outermost worlds of the Congregation? The Ness sisters are being hunted for crimes they didn't

commit by a fleet whose crimes are worse than their own. If they're to survive, and stay one step ahead of their pursuers - if they're to answer the questions which have plagued them - it's going to require every dirty, piratical trick in the book . . . 'By far the most enjoyable book Reynolds has ever written' SFX
